GBEBB - STAFF CONDUCT WITH STUDENTS

The Cape Elizabeth School Board expects all staff members, including teachers, coaches, counselors, administrators and others, to maintain the highest professional, moral and ethical standards in their conduct with students. For the purposes of this policy, staff members also include school volunteers.

The interactions and relationships between staff members and students should be based upon:

- Mutual respect and trust;
- an understanding of the appropriate boundaries between adults and students in an educational setting; and
- consistent with the educational mission of the schools.

Staff members are expected to be sensitive to the appearance of impropriety in their conduct with students. Staff members are encouraged to discuss issues with their building administrator or supervisor whenever they are unsure whether particular conduct may constitute a violation of this policy.

Possible Violations

Examples of conduct by staff members that could be considered a violation of this policy include but are not limited to the following:

- Any type of physical contact with students;
- singling out a particular student or students for personal attention and friendship beyond the normal teacher-student relationship;
- for non-guidance/counseling staff, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, staff members are expected to be supportive but to refer the student to appropriate guidance/counseling/administrative staff;
- sexual banter, allusions, jokes or innuendos with students;
- asking a student to keep a secret; and
- disclosing personal, sexual, family, employment concerns, or other private matters to one or more students.

Before engaging in the following activities, staff members will review the activity with their building principal or supervisor, as appropriate:

- Being alone with individual students out of public view;
- permitting students to address you by your first name, nickname or otherwise in an overly friendly manner;
- addressing students with terms of endearment, pet names or otherwise in an overly familiar manner;
- driving students home or to other locations;
- inviting or allowing students to visit the staff member's home;
- visiting a student's home, unless on official school business;

- maintaining personal contact with a student outside of school by telephone or text messaging, computer (such as e-mail, Instant Messenger, social networking sites), or letters (beyond homework or other legitimate school business);
- exchanging personal gifts (beyond the customary student-teacher gifts) and/or
- socializing or spending time with students (including but not limited to activities such as going out for meals or movies, shopping, traveling, and recreational activities) outside of school-sponsored events except as participants in organized community activities.

Reporting Violations

Students and/or their parents/guardians are strongly encouraged to notify the principal (or other appropriate administrator) if they believe a teacher or other staff member may be engaging in conduct that violates this policy.

Staff members are required to notify promptly the appropriate building administrator or superintendent if they become aware of a situation that may constitute a violation of this policy.

Disciplinary Action

Staff violations of this policy shall be reviewed by the appropriate administrator and may result in disciplinary action up to and including dismissal. Violations involving sexual or other abuse will also result in referral to the Department of Health and Human Services and/or law enforcement in accordance with the Board's Policy.

GBEC - DRUG-FREE WORKPLACE

The Cape Elizabeth School Board recognizes that alcoholism and drug dependency are treatable diseases. Left untreated, they may result in serious personal and family problems. At the same time, the Board is also seriously concerned about the effects of alcohol and drug dependency upon an employee's job performance and ability to serve as a role model for our students.

The Board believes strongly that all employees and students should be able to work and learn in an environment free from alcohol and drug abuse. Accordingly, the Board expects all employees to report for work and to perform their duties in a manner which does not jeopardize the health, safety, and well-being of co-workers and students.

Any employee who suspects that they may have an alcohol or drug dependency problem is strongly encouraged to contact their supervisor to seek voluntary diagnosis and treatment. The employee will be provided confidential referral services to an outside agency upon request and assisted in determining the extent to which insurance coverage to help pay for such services is available. All voluntary referrals shall be kept confidential.

PROHIBITED CONDUCT

No employee shall distribute, dispense, possess, use, or be under the influence of any alcoholic beverage, malt beverage, fortified wine, or other intoxicating liquor. Nor shall an employee unlawfully manufacture, distribute, dispense, possess, use, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, anabolic steroid, or any other controlled substance (as defined in schedules I through V of section 202 of the federal Controlled Substance Act [21 USC§ 812]; by regulation at 21 CFR, § 1300.11 through 1300.15; and in 17-A MRSA, § 1101). This applies before, during, and after school hours, at school or in any other school system location, defined as follows:

"School system location" means in any school building or on any school premises; in any school-owned vehicle or in any other school-approved vehicle used to transport students to and from school or school activities; off school property at any school-sponsored or school-approved activity, event, or function, such as a field trip or athletic event, where students are under the jurisdiction of the school department; or during any period of time the employee is supervising students on behalf of the school system or otherwise engaged in school department business.

Any illegal use, possession, furnishing, selling, or provision of assistance in obtaining alcoholic beverages or scheduled drugs not covered by the preceding paragraph is also prohibited.

In addition, employees (including coaches) are prohibited from selling, distributing, or promoting any performance-enhancing substances included on the banned substances list prepared by the Maine Department of Health and Human Services Office of Substance Abuse.

FAMILY AND MEDICAL LEAVE

The Cape Elizabeth School Department shall comply with all applicable provisions of the federal Family and Medical Leave Act of 1993 (FMLA), the Maine Family Medical Leave Law, and any other Board policies and collective bargaining agreements regarding family and medical leave.

The Superintendent is responsible for implementing administrative procedures to comply with this policy.

GBGB - WORKPLACE BULLYING

The Board is committed to providing a respectful, safe, and inclusive workplace for employees, one that is free from bullying conduct. All employees and students in the school unit, as well as parents, community members and others involved with the schools are prohibited from engaging in workplace bullying as defined in this policy.

DEFINITION

For the purposes of this policy, “workplace bullying” means intentional behavior that a reasonable person would expect to interfere with an employee’s work performance or ability to work. Generally, workplace bullying will involve repeated conduct. However, a single incident of egregious conduct could constitute workplace bullying. Examples of workplace bullying include, but may not be limited to:

- Humiliating, mocking, name-calling, insulting, maligning, or spreading rumors about an employee;
- Shunning or isolating an employee or encouraging others to do so;
- Screaming or swearing at an employee, slamming doors or tables, aggressively invading an employee’s personal space; placing an employee in reasonable fear of physical harm; or other types of aggressive or intimidating behavior;
- Targeted practical jokes;
- Damaging or stealing an employee’s property;
- Sabotaging an employee’s work or purposely misleading an employee about work duties (e.g., giving incorrect deadlines or intentionally destroying an employee’s work);
- Harassing and/or retaliating against an employee for reporting workplace bullying;
- Cyberbullying, which is defined in Maine law as bullying occurring through the use of technology or any electronic communication, including but not limited to, a transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted by the use of any electronic device, including, but not limited to, a computer, telephone, cellular telephone, text messaging device, or personal digital assistant.

EXCLUSIONS

Workplace bullying does not include the following:

- When supervisors set reasonable performance goals or provide verbal or written counseling, direction, feedback, or discipline to employees in the workplace when the intent is to address unsatisfactory work performance or violations of law or school policy.
- When supervisors make personnel decisions designed to meet the operational or financial needs of the school unit or the needs of students. Examples include, but are not limited to changing shifts, reassigning work responsibilities, taking steps to reduce overtime costs, transferring or reassigning employees to another building or position.
- Discrimination or harassment based on protected characteristics (race, color, sex, sexual orientation, gender identity, religion, ancestry or national origin, age, familial status, disability, or genetic information). Such conduct is prohibited under separate policies and complaints shall be addressed under [ACAB-R – Employee Discrimination/Harassment and Title IX Sexual Harassment Complaint Procedure](#).

- Disrespectful conduct by students directed at school employees that can be addressed through enforcement of classroom rules, school rules, and applicable Board policies.

REPORTS AND INVESTIGATIONS

Employees who believe they have been bullied in the workplace, and other persons who believe they have witnessed an incident of an employee being bullied in the workplace, are expected to report the issue to the building administrator.

If the report is about the building administrator, the report should be made to the Superintendent/designee.

The building administrator shall promptly notify the superintendent of all workplace bullying reports.

Any workplace bullying report about the Superintendent should be made to the Board Chair.

All reports of workplace bullying shall be investigated promptly and documented in writing. The person who was the subject of the alleged workplace bullying and the person alleged to have engaged in workplace bullying will be notified of the outcome of the investigation, consistent with confidentiality and privacy laws.

DISCIPLINARY ACTION

Any employee who is found to have engaged in workplace bullying will be subject to disciplinary action up to and including termination of employment.

Students who are found to have engaged in bullying of an employee will be subject to disciplinary action in accordance with applicable student discipline procedures.

Parents and others who are found to have engaged in bullying of an employee will be dealt with in a manner appropriate to the particular circumstances.

APPEALS

If dissatisfied with the resolution of the matter, the subject of the alleged workplace bullying or the person alleged to have engaged in workplace bullying may file a written appeal within five (5) business days with the Superintendent stating the reason for the appeal. The Superintendent will review the matter and issue a written decision within ten (10) business days. The Superintendent's decision shall be final.

If the matter involves employees covered by a collective bargaining agreement, any disagreement with the results of the investigation may be resolved through the agreement's dispute resolution process.

RETALIATION PROHIBITED

Retaliation for reporting workplace bullying is prohibited. Employees and students found to have engaged in retaliation shall be subject to disciplinary action.

SUPERINTENDENT'S RESPONSIBILITY

The Superintendent shall be responsible for implementing this policy and for the development of any necessary procedures to enforce it.

GBN - FAMILY AND MEDICAL LEAVE

FAMILY AND MEDICAL LEAVE

The Cape Elizabeth School Department shall comply with all applicable provisions of the federal Family and Medical Leave Act of 1993 (FMLA), the Maine Family Medical Leave Law, and any other Board policies and collective bargaining agreements regarding family and medical leave.

The Superintendent is responsible for implementing administrative procedures to comply with this policy.

Employees are entitled to family and medical leave under the federal Family and Medical Leave Act of 1993 (“FMLA”) or the Maine Family Medical Leave law when they meet all of the eligibility requirements of these laws. This policy sets forth several rules that must be applied uniformly to all employees who may be eligible for family and medical leave. As used in this policy, “family and medical leave” means leave available under both the federal and state laws.

I. THE FEDERAL EMPLOYEE ELIGIBILITY PERIODS

Employees who have been employed for at least 12 months and have worked at least 1,250 hours in the previous 12 months are eligible for FMLA leave under the federal law. (See Section III for additional school employees who are eligible for these federal FMLA benefits.)

There are two types of eligibility periods under the federal law as described below.

I. 12-Month Period for Birth, Adoption or Foster Care; Serious Health Condition Purposes; Qualifying Exigency

There is a 12-month eligibility period for 12 weeks of FMLA leave taken for the following qualifying purposes:

1. Birth and care of the newborn child of the employee;
2. Placement with the employee of a son or daughter for adoption or foster care;
3. Care for an immediate family member (spouse, child, or parent) with a serious health condition;
4. Medical leave when the employee is unable to work because of a serious health condition; or
5. Qualifying exigency leave for an employee whose spouse, child or parent is a regular member of the Armed Forces on covered active duty deployed to a foreign country or a reserve member of the Armed Forces (including National Guard) on covered active duty deployed to a foreign country under a call or order to active duty in a contingency operation. The 12-month period used to determine employee eligibility for FMLA for the purposes described above shall be the 12-month period measured forward from the date any employee’s first leave begins.

II. Federal 12-Month Period for Military Caregiver Leave

There is a separate 12-month period for employees eligible for military caregiver leave of up to 26 weeks. Such leave may be taken to care for a spouse, child, parent or next of kin of an eligible service member or veteran with a serious injury or illness. This leave is calculated from the first day that leave is taken for this purpose and does not track the employer’s designated 12-month FMLA tracking period as described above. Any military caregiver leave that is not taken within the specific 12-month period is forfeited. This leave period may overlap with the usual 12-month leave period designated by the employer and in certain circumstances, this may impact the employee’s eligibility to take other types of FMLA leave.

II. MAINE REQUIREMENTS

I. Leave Amount and Eligibility

Employees who have been employed for at least 12 consecutive months are eligible for leave under the Maine Family Medical Leave law. Beginning August 8, 2022, school employees who have worked at least 900 hours in the previous 12 months are also eligible for federal FMLA benefits under the same conditions as other employees eligible to receive such benefits.

The amount of family and medical leave available to employees under the Maine law is 10 work weeks in any two-year period.

B. Qualifying Purposes

Leave may be used for the following qualifying purposes:

1. Serious health condition of the employee;
2. Serious health condition of the employee's spouse, domestic partner, child (or child of domestic partner), grandchild (or grandchild of domestic partner), parent or sibling;
3. Birth of the employee's child or child of his/her domestic partner;
4. Placement of a child 16 years of age or younger with the employee or the employee's domestic partner for adoption;
5. Donation of an organ for human transplant by the employee;
6. Death or serious health condition of the employee's spouse, domestic partner, parent, sibling or child as a member of the state military forces or United States Armed Forces (including National Guard and Reserves) while on active duty.

III. NOTICE BY EMPLOYEE

Employees requesting leave shall provide at least 30 days' notice to the Employer whenever the need for such leave is foreseeable. The employee shall provide appropriate medical certification (or other certification appropriate to the particular request) supporting the leave request.

When the Employer has reason to believe that an employee is or will be absent for an FMLA-qualifying purpose, the Employer should request the appropriate information from the employee to determine the employee's eligibility for family and medical leave.

IV. COORDINATION WITH OTHER LEAVE

When leave is taken that qualifies both as FMLA and as permitted leave under any employment contract, collective bargaining agreement or policy, the employee shall use FMLA and the other type of leave concurrently, provided that the employee meets all of the eligibility requirements for each type of leave. Types of leave that shall run concurrently with FMLA include, but are not necessarily limited to accrued sick leave; vacation and compensatory time; unpaid leave; disability leave; absence for work-related injuries; and any other applicable types of leave.

V. FITNESS FOR DUTY CERTIFICATE

Before returning to work, employees taking FMLA for their own serious health condition shall submit a certificate from a health care provider indicating that they are able to return to work and perform the essential functions of the position.

GBN-R1 FAMILY AND MEDICAL LEAVE ACT ADMINISTRATIVE PROCEDURE

FAMILY AND MEDICAL LEAVE ADMINISTRATIVE PROCEDURE

I. Eligibility

To be eligible under the FMLA, employees must work at a site where 50 or more employees of the same school board are employed within 75 miles of that work site. An employee must have been employed by the school unit for at least twelve months and have worked at least 1250 hours in the previous twelve-month period. According to the law, teachers employed on a full-time basis are presumed to meet the minimum hours requirement.

I. Benefit

Under certain conditions, eligible employees, if qualified, may be entitled to up to 12 weeks or 26 weeks leave in a 12-month period with continuing participation in the school unit's group insurance plan.

The 12-month period for FMLA purposes is designated as the 12-month period measured forward from the date an individual employee's first leave begins.

I. Reasons for Taking Leave

Unpaid leave will be granted to eligible employees for any of the following reasons:

- I. The birth and care of a child;
- II. The adoption or foster placement of a child with the employee;
- III. To care for a spouse, child or parent with a serious health condition; or
- IV. The employee is unable to perform the functions of their position because of a serious health condition.

Military Family Leave

I. Military Caregiver Leave

An eligible employee who is a relative of a service member can take up to 26 weeks in a 12-month period in order to care for a covered service member who is seriously ill or injured in the line of duty, or a veteran who is undergoing medical treatment, recuperation or therapy for serious injury or illness that occurred any time during the five years preceding the date of treatment.

- II. **Qualified Exigency Leave** (applies to eligible employees with family members who are in the National Guard or Reserves, and Regular Armed Forces)

- I. An eligible employee can take up to the normal 12 weeks of leave, if a family member who is a member of the National Guard or Reserve is called up to active duty on a contingency mission.
- II. Qualifying exigencies include:
 1. Short-notice deployment;
 2. Military events and related activities;
 3. Childcare and school activities;
 4. Financial and legal arrangements;
 5. Counseling;
 6. Rest and recuperation;
 7. Post-deployment activities; and
 8. Additional activities agreed to by the employer and the employee.

II. Substitution of Paid Leave

Any leave taken for FMLA-qualifying purposes (including leave taken under employment policies, bargaining agreements, or contracts) shall also be applied to an employee's annual FMLA entitlement. When paid leave taken for FMLA-qualifying purposes is exhausted, the balance of FMLA leave shall be unpaid.

I. FMLA Leave When Both Parents Are School Unit Employees

If both parents of a child are employed by Cape Elizabeth School Department, they each are entitled to a total of 12 weeks of leave per year. However, leave may be granted to only one parent at a time and if leave is taken: (1) for the birth of a child or to care for the child after birth; or (2) for placement of a child for adoption or foster care or to care for the child after placement.

If spouses are employed by Cape Elizabeth School Department, the aggregate number of weeks of leave that can be taken is 26 weeks in a single 12-month period for serviceperson leave or a combination of exigency and serviceperson leave. The aggregate number of weeks of leave that can be taken by a husband and wife who work for the same employer is 12 weeks if for exigency leave only.

I. Employee Notice Requirement

The employee must follow the employer's standard notice and procedural policies for taking FMLA.

Except as provided elsewhere in this policy, an employee must submit an application for leave at least 30 days in advance when the leave is foreseeable or as soon as practicable if it is not foreseeable.

If an employee fails to provide 30 days' notice of foreseeable leave, the leave may be delayed to start 30 days after notice is given, provided the employee had actual notice of the FMLA notice requirements.

When the need for FMLA leave is foreseeable fewer than 30 days in advance, or the need for FMLA leave is not foreseeable, and the employee fails to provide notice as soon as practicable, the extent to which FMLA leave may be delayed depends upon the facts of the particular case.

I. Medical Certification

A sick leave request form is to be completed whenever an employee is absent from work for more than three days or when an employee has need to be absent from work for continuing treatment by (or under the supervision of) a health care provider.

The school unit will require medical certification to support a request for FMLA leave because of a serious health condition (at employee's expense).

If the leave request is due to the employee's serious health condition, the employee is required to provide medical certification stating the date the health condition commenced, the probable duration, the appropriate medical facts concerning the condition, and that the employee cannot perform the functions of their job.

If the leave request is due to the serious health condition of a family member, the employee is required to provide medical certification stating the date the health condition commenced, the probable duration, the appropriate medical facts concerning the condition, and an estimate of the time the employee will be needed to care for the family member.

If the leave request is for leave to care for a covered service member, the employee is required to provide certification of the date on which the serious medical condition or injury commenced, the probable duration, the appropriate medical facts within the knowledge of the health care provider regarding the condition or injury, and an estimate of the time the employee will be needed to care for the covered service member.

I. Notice for Leave Due to Active Duty or Call to Active Duty of Family Member

In any case in which the necessity for leave is foreseeable, whether because the spouse or a child, or parent of the employee is on active duty or because of notification of an impending call or order to active duty in support of a contingency operation, the employee shall provide such notice to the employer as soon as is practicable.

I. Employer Notice Requirement (29 C.F.R. § 825.300)

Employers are required to provide employees with notice explaining the FMLA through a poster and either a handbook or information upon hire. If an employee requests FMLA leave, an employer must provide notice to the employee within five business days of whether the employee meets the FMLA eligibility requirements. If an employee is not eligible to take FMLA, the employer must provide a reason. The employer must also provide a rights and responsibilities notice outlining expectations and obligations relating to FMLA leave. If the employer approves FMLA leave, it must provide the employee with a designation notice stating the amount of leave that will be counted against an employee's FMLA entitlement.

I. Insurance

An employee out on FMLA leave is entitled to continued participation in the appropriate group health plan, provided the employee continues paying the usual premiums throughout the leave period. An employee's eligibility to maintain health insurance coverage will lapse if the premium payment is more than 30 days late.

I. Return

Upon return from FMLA leave, the employee will be restored to their previous position or to an equivalent position with equivalent pay, benefits, and other employment terms.

An employee returning from FMLA leave for his/her own serious health condition is required to submit medical certification that indicates fitness to return to work and ability to perform the functions of the job.

If the employee is unable to return to work because of his/her own serious health condition at the end of allowable FMLA leave, the Superintendent [**OR: Board**] may consider a request for extension of unpaid leave and benefits on a case-by case

basis. Unless an extension has been granted, failure to return to work upon the expiration of FMLA leave may subject the employee to immediate termination.

I. Special Rules for Instructional Employees

Under federal regulations, certain special rules apply to instructional employees. These rules affect the taking of leave near the end of a semester and the taking of intermittent leave or leave on a reduced leave schedule.

I. Interaction with Maine Law

When an employee is eligible for leave under both the federal and Maine statutes, the applicable law shall be the one that provides the greater benefit.

An employee who is not eligible for federal FMLA leave may be eligible for leave under the Maine FMLA.

The school unit will analyze each request to determine eligibility for federal and/or Maine FMLA leave.

I. Recordkeeping

Employees, supervisors, and building administrators will forward requests, forms, and other material to payroll to facilitate proper recordkeeping.

III. ADMINISTRATION

- I. The school unit may require certification from a physician to verify the amount of leave requested. An employee who in good faith relies on treatment by prayer or spiritual means, in accordance with the tenets and practice of a recognized church or religious denomination, may submit certification from an accredited practitioner of those healing methods.
- II. An employee requesting leave shall provide at least 30 days' notice of the intended dates upon which the leave will commence and terminate, unless prevented by medical emergency from giving required notice.
- III. Any leave taken for Maine Family Medical Leave qualifying purposes, including leave taken under other applicable statutes, employment policies, and collective bargaining agreements or contracts, shall also be considered leave under Maine Family Medical Leave and shall be applied to an employee's 10-week Maine Family Medical Leave entitlement every 24-month period. When paid leave taken for Maine Family Medical Leave qualifying purposes is exhausted, the balance of Maine Family Medical Leave shall be unpaid. **[OPTIONAL: The school unit and employee may negotiate for more or less leave, but both parties must agree.]**
- IV. During Maine Family Medical Leave, an employee shall be permitted to continue his/her medical insurance plan, providing the employee remits the monthly premium to the Superintendent's Office no later than the first day of the month for which the premium is due. **[OPTIONAL: The school unit and employee may negotiate for the school unit to maintain benefits at the school unit's expense for the duration of the leave.]**
- V. Upon an employee's return to work, he/she will be restored to his/her previous position or to a position with equivalent seniority status, benefits, pay, and other conditions and terms of employment.
- VI. An employee taking Maine Family Medical Leave for his/her own serious health condition may be required to submit certification that he/she is fit to return to work and is able to perform the functions of the position.
- VII. If at the end of the allowable leave under Maine Family Medical Leave the employee is unable to return to work because of his/her own serious health condition, the Superintendent and School Board may consider a request for extension of unpaid leave and benefits on a case-by-case basis. **[OPTIONAL: Failure to return to work upon the expiration of Maine Family Medical Leave may subject the employee to immediate termination unless such an extension is granted.]**
- VIII. An employee who is not eligible for Maine Family Medical Leave may be eligible for federal Family and Medical Leave.

LEAVE TAKEN INTERMITTENTLY OR ON A REDUCED LEAVE SCHEDULE

Subject to the other requirements of this policy, leave taken intermittently or on a reduced leave schedule (i.e., a leave schedule that reduces the usual number of hours per workweek or hours per workday of an employee) may be taken subject to the following:

- I. Leave for birth or placement related to adoption may not be taken intermittently or on a reduced schedule unless agreed to by both employer and employee;

- II. Leave for a serious health condition of the employee or their child, domestic partner's child, parent, domestic partner or spouse, or for organ donation by the employee may be taken intermittently or on a reduced leave schedule when medically necessary;
- III. The taking of leave intermittently or on a reduced leave schedule may not result in a reduction in the total amount of Maine Family Medical Leave to which the employee is entitled beyond the amount of leave actually taken; and
- IV. If an employee requests intermittent leave or leave on a reduced leave schedule for a serious health condition of the employee or their child, domestic partner's child, parent, domestic partner or spouse, or for organ donation by the employee that is foreseeable based on planned medical treatment, the employer may require the employee to transfer temporarily to an available alternative position offered by the employer for which the employee is qualified and that 1) has equivalent pay and benefits, and 2) better accommodates recurring periods of leave than the regular employment position of the employee.

GBO - FAMILY CARE LEAVE

Maine's "Act to Care for Families" requires employers who provide paid leave under the terms of a collective bargaining agreement or employment policy to allow employees to use such leave to care for an immediate family member who is ill (hereafter referred to as "family care leave") in accordance with the conditions described in this policy.

I. Definitions

For the purposes of this policy, the following definitions from the *Act to Care for Families* apply:

- I. "Employer" means a public or private employer with 25 or more employees.
- II. "Immediate family member" means an employee's child, spouse, or parent.
- III. "Paid leave" means time away from work by an employee for which the employee receives compensation, and is limited to sick time, vacation time, compensatory time, and leave that is provided as an aggregate amount for use at the discretion of the employee for any of these same purposes. Paid leave does not include paid short-term or long-term disability, catastrophic leave, or similar types of benefits.

II. Amount of Leave Available

An employee may take up to 40 hours of available paid leave (or the amount provided by an applicable collective bargaining agreement if that is greater) as family care leave per 12-month period. For the purposes of this policy, the 12-month period is September 1 through August 31. An employee may not use paid leave for family care leave purposes until it has been earned. If the employee has more than one type of paid leave available under an applicable collective bargaining agreement or employment policy, the employee may specify which type and the amount of each type of leave to be used as family care leave.

All family care leave taken by an employee shall be counted toward their entitlement under the federal Family and Medical Leave Act or state Family Medical Leave Act.

III. Employee Notice Requirements

Notice and verification requirements for use of family care leave shall be the same as those required by the school department for an employee's own illness. The employee must specify that leave is being taken pursuant to the *Act to Care for Families*.

The Superintendent/designee shall be responsible for developing and implementing administrative procedures to implement use of EPL under this policy.

Notice of the EPL law will be posted in a visible location in each workplace.

Administrative procedures, including employee eligibility, use of leave, and employee notice requirements will be provided to employees in writing and/or through electronic communications, the school unit's employee handbook, or other suitable means.

GBP-R - EARNED PAID LEAVE ADMINISTRATIVE PROCEDURE

This procedure implements Maine's Earned Paid Leave (EPL) Law, 26 MRSA §637. The law takes effect January 1, 2021.

This law requires most Maine employers - including school units - with more than 10 employees to provide earned paid leave that is accrued based on hours worked. EPL may be used for any purpose.

The law applies as of January 1, 2021 to non-unionized school unit employees.

For unionized employees covered by a collective bargaining agreement that addresses paid time off, the law does not apply until the expiration of the current collective bargaining agreement. Accordingly, unionized employees should refer to the provisions for paid leave in the collective bargaining agreement and follow the school unit's procedures for requesting and/or accounting for paid leave.

I. ACCRUAL OF EARNED PAID LEAVE

- I. Effective (beginning) January 1, 2021, employees shall accrue one hour of EPL for every 40 hours worked, beginning with the first day of employment, up to a maximum of 40 hours per year.

Exempt employees, e/g., teachers and administrators, will be presumed to work 40 hours per week.

- I. Employees may not use EPL until they have been employed for 120 calendar days. EPL cannot be used before it is earned and must be used in one-hour increments.
- II. Employees employed by the school unit prior to January 1, 2021 will be eligible to use accrued EPL 120 days after their start date.
- III. The designated year for purposes of accrual and use of earned paid time off shall be July 1st-June30th.
- IV. For business office accounting purposes, depending on an employee's regularly scheduled hours, up to 40 hours of EPL time may be "front-loaded" into the school unit's payroll/personnel benefits accounting system for some employees for ease of administration, but EPL may not be used until the 120-day employment requirement has been met.

II. ALLOWABLE USES AND NOTICE REQUIREMENTS

- I. EPL leave may be used for any purpose. Notice requirements will differ between leave for planned purposes and leave for unplanned/emergency purposes.
 1. Planned Purpose: Employees shall provide at least four weeks' advance written notice to their supervisor to use EPL for a purpose that can be planned. Such purposes include, but are not limited to, weddings/social events, vacation, or recreational activity. Any such use of EPL shall run concurrently

with any other type of paid leave for which the employee is eligible for this purpose (such as vacation or personal leave).

In general, planned EPL should not be used for more than three (3) consecutive work days. Planned EPL cannot be used on the days immediately before and/or after a holiday or vacation period, or on any other days determined by the employees' supervisor to conflict with the school unit's operational needs.

1. Unplanned/Emergency Purpose: EPL may be used for an emergency, illness or injury, or other sudden necessity for which the employee does not have advance notice; is beyond the employee's control to schedule; and is otherwise unforeseeable. Examples include, but are not limited to, sudden illness or injury; motor vehicle accident, unanticipated child care closure; or residential issues such as burst pipes. In such cases, the employee is required to notify their supervisor as soon as practicable in the circumstances.

The employee's supervisor will request appropriate documentation demonstrating the necessity of using EPL for unplanned purposes if an employee requests such leave for three (3) consecutive days or more.

Any use of such EPL shall run concurrently with any other type of paid leave for which the employee is eligible (such as sick, personal or vacation leave).

I. CARRYOVER

Up to 40 hours of unused, accrued EPL may be carried over to the next designated year. However, the amount of leave that an employee may accrue in that year will be reduced by the number of hours carried over. For example, if an employee carries over eight (8) hours of EPL from one year to the next the employee shall only be eligible to earn 32 hours in the second designated year.

For employees who have earned paid leave time front loaded as of July 1st will not be entitled to carry over any unused earned paid leave to the next fiscal year and such leave shall be forfeited.

I. SEPARATION FROM EMPLOYMENT

Earned paid leave will not be paid out upon separation of employment, and it may not be used to extend an employee's employment beyond the last day actually worked.

However, if the employee returns to work within one year of leaving, the accrued/remaining leave will be reinstated.

Employees who are uncertain as to whether particular activities are acceptable should seek further guidance from the building administrator or other appropriate administrator.

VI. Any communication that represents an employee's personal views as those of the school district or that could be misinterpreted as such.

- VII. Sending mass emails to school users or outside parties for any purpose without the permission of the Technology Coordinator or district administrator, except that the school district may, at its sole discretion, provide a forum for exchanging information that could be beneficial to its employees (e.g., Buy/Sell/Exchange, Google group/email).

- IV. Employee Volunteer Responsibility to Supervise Student Computer Use Employees and volunteers who use school computers with students for instructional purposes have a duty to supervise such use and to enforce the school district's policies and rules concerning student computer use. When, in the course of their duties, employees or volunteers become aware of a student violation, they are expected to stop the activity and inform the building administrator consistent with the educational mission and curriculum and instructional goals.
- V. Compensation for Losses, Costs, and/or Damage
An employee is responsible for compensating the school district for any losses, costs or damages incurred by the school district for violations of Board policies and school rules while the employee is using school district computers and school computer services, including the cost of investigating such violations. The school district assumes no responsibility for any unauthorized charges or costs incurred by an employee while using school district computers and school computer services. CESD will be responsible for accidental damage to employee computers that occur through normal use of their job functions.
- VI. Additional Rules for Use of Privately-Owned Computers by Employees
- I. Employees are permitted to use privately-owned computers in school provided that they comply with the policy and rules governing computer and Internet use, there is a suitable educational basis for the request, and the demands on the school district's network or staff are reasonable. In addition, if requested, the employee must provide to the Technology Coordinator such information as IP addresses and login passwords to enable enforcement of all policies and rules regarding use of computer services.
- II. The technology staff has the authority to determine whether use of an employee's privately-owned computer would place an undue burden on or could interfere with the computer services.

- IV. The school district is not responsible for damage, loss, or theft of any privately-owned computer.

VIII. The school district may seize any privately-owned computer used by an employee in school without authorization as required by these rules and the contents of the computer may be searched in accordance with applicable laws and policies. The computer will be returned to the owner when it is no longer needed for investigatory or evidentiary purposes.

CESD may utilize all information provided in FI above to review, monitor, and/or have access to an employee's private computer at any time, without prior notice, to determine if an employee is using the school computer services on an employee's privately-owned computer in compliance with all applicable policies and rules of the school.

I. Violations

A violation by the employee of the school's policies and rules or use of school computer services shall subject the employee to such disciplinary action as the Superintendent believes is appropriate including, but not limited to, loss of use of school computers and/or school computer services.

GCSB - USE OF SOCIAL MEDIA BY SCHOOL EMPLOYEES

The Board recognizes that social media platforms have become important means of communication with potential pedagogical value. This policy sets forth expectations for school employees in regard to social media use for school-related and personal purposes. Employees are expected to preserve the integrity of the learning environment in their use of social media, and must maintain professional boundaries with students at all times. Approved uses of social media platforms are only intended to be a supplementary, and, in general, not a primary means of communicating information to students, families and/or the community.

"Social media" includes technology and/or Internet-based tool(s) for communicating or sharing information, opinions and ideas with others, including but not limited to websites, blogs, forums, social networking platforms, image sharing applications and news sites.

I. Approval Procedure

A school employee who desires to use social media for school-related purposes shall submit a proposal and request for approval to their building administrator or supervisor. Proposals for the school-related use of social media should include an articulated educational purpose and be appropriate to the students' ages, level(s) of understanding, and range(s) of knowledge. Use of social media with students is limited to grades seven and higher. Any student under 13 needs parent/guardian permission to access approved social media.

The building administrator or supervisor may request additional information prior to making a decision on a proposal. The building administrator or supervisor may also consult with the Superintendent or others as appropriate in evaluating the request.

The building administrator or supervisor may take one of the following actions:

- I. Approval;
- II. Approval with required modifications;
- III. Denial.

The decision of the building administrator or supervisor shall be in writing and the decision is final. The building administrator or supervisor may withdraw approval for the use of social media at any time for good reason, with appropriate notice to the employee.

Any later modifications to a proposal that has already been approved must be submitted to the building administrator or supervisor and approved prior to implementation.

Approved proposals for the school-related use of social media must be resubmitted annually by September 30th for review. If an employee discontinues their use of approved social media, the building administrator or supervisor must be notified.

II. Terms of Use

The school-related use of social media approved in accordance with this policy is subject to the following terms and conditions:

- I. Content on approved social media shall at all times comply with school unit policies, procedures and guidelines as well as with any applicable state and federal laws (including confidentiality laws).
- II. The responsible school employee shall monitor any student use of approved social media and shall remove content that violates school unit policies, procedures or guidelines, and/or state or federal laws. Any inappropriate use of approved social media shall be reported to the building principal/supervisor.
- III. The school unit may monitor any approved social media for compliance with applicable Board policies/procedures, other school rules, and laws.

III. Personal Use of Social Media

Employees must keep their professional social media presence separate from their personal social media. Employees shall not use work time or their work-issued email address/contact information for personal use of social media.

School employees are prohibited from “friending” students or engaging in any other interactions with students on social media (outside of any school-approved activity).

School employees are expected to exhibit professional decorum on social media and not engage in conduct that violates Board policies, procedures and guidelines; which adversely affects their capacity to serve as a role model for students; or which distracts from or disrupts the educational process or the operations of the schools.

Violations of this policy may result in the withdrawal of approval to utilize social media for school purposes and/or disciplinary action, depending on the circumstances of each case.

IV. School Administrator Use of Social Media

Like School employees and Board members, school administrators (such as the Superintendent, a Principal, the Special Education Director, etc.) shall have no authority to speak on behalf of Cape Elizabeth School Department unless specifically designated to do so. Where no such authority exists, school administrators shall make it clear that they are speaking in their individual capacity when posting or engaging in other activity on social media related to school business and that their views or other expressive activities are their own, are not intended to represent the views of the Board, and are not endorsed by or undertaken on behalf of the Board. This applies to an administrator’s own social media pages, the social media pages of others, and the district’s social media pages.
