

# AD - Educational Philosophy

## Our Mission

CAPE Schools open minds and open doors.

## Our Vision

We empower students with the academic, personal, and social knowledge and skills needed to build fulfilling and engaged lives.

## Our Values

### Community:

We value the connections among our school, local, and global communities that foster meaningful participation in a dynamic and diverse world.

### Academics:

We value rich and varied learning experiences that support critical thinking, perseverance, effective communication, and independent and collaborative work inside and outside of the classroom.

### Passion:

We value personal investment in learning in an environment that nourishes joy and creativity, protects risk-taking, and cultivates individual expression.

### Ethics:

We value decision-making and actions guided by the principles of personal integrity, empathy, responsibility, and respect for self and others.
