

# GCMA - INSTRUCTIONAL STAFF PLANNING TIME

## INSTRUCTIONAL STAFF PLANNING TIME

The School Board will make available, during the school day, individual and common planning time for teachers, consistent with the educational needs of students and within budgetary limitations.

Within each school, the principal is responsible for scheduling of classes and planning time. To the extent possible, the principal will consult with the teachers in scheduling planning time. Teachers will be relieved from other responsibilities during planning time and, when possible, such time shall be provided in an uninterrupted block.
