IKFC - AWARDING OF HIGH SCHOOL COURSE CREDIT PRIOR TO GRADE 9

Cape Elizabeth Middle School (CEMS) students who are approved to take courses at Cape Elizabeth High School (CEHS) will not receive high school credit for those courses.

CEMS students who successfully complete high school courses or other accelerated academic programs may have such courses listed on their CEHS transcript, but they will not be included in calculating grade point average or accruing credits toward high school graduation requirements.

For the purposes of this policy, a student is not considered a high school student until they begin taking courses in the fall of the student's ninth grade year.
