

JIC - SYSTEM-WIDE STUDENT CODE OF CONDUCT

Ethical and responsible student behavior is an essential part of the educational mission of our schools. To that end, the Board has developed this System-Wide Student Code of Conduct (Code) with input from school staff, students, parents, and the community. The Code defines our expectations for student behavior and provides the framework for a safe, orderly, and respectful learning environment.

Article 1 - Standards for Ethical and Responsible Behavior

We value decisions and actions guided by the principles of:

- Personal integrity
- Empathy
- Responsibility
- Respect for self and others

See Policy AD - Educational Philosophy

Article 2 - Code of Conduct

All students are expected to comply with the Code and all related Board policies and school rules. The Code applies to students:

- On school property;
- While in attendance at school or at any school-sponsored activity; or
- At any time or place that such conduct directly and substantially interferes with the operations, discipline, or general welfare of the school.

Article 3 - General Behavior Expectations

The following expectations for student behavior are fundamental to a safe, orderly and respectful environment in our schools. Each student should:

- I. Be courteous to fellow students, staff, and visitors.
- II. Respect the rights and privileges of other students and school staff.
- III. Obey all Board policies and school rules governing student conduct.
- IV. Engage with the education community.
- V. Follow directions from school staff.

- VI. Cooperate with staff in maintaining school safety, order, and discipline.
- VII. Attend school regularly.

- IX. Respect the property of others, including school property and facilities.
- X. Refrain from cheating or plagiarizing the work of others.
- XI. Refrain from vulgarity, profanity, obscenity, lewdness, and indecency.

Article 4 - Consequences

Violations of the Code may result in positive and restorative interventions and/or other consequences. Administrators have the discretion to tailor consequences to the facts and circumstances of the particular case. Consequences for violations will range from a verbal warning for minor misconduct up to and including expulsion for the most serious offenses.

Behavior that also violates the law may be referred to law enforcement authorities as described in Article 8.

See policies JK - Student Discipline, JKD - Suspension of Students, JKE - Expulsion of Students, and KLG - Relations with Law Enforcement Authorities

Article 5 - Expectations

The following is a summary of the school unit's expectations for student behavior. In many cases, the Board has adopted policies that address these expectations in greater detail. Students, parents, and others should refer to the policies and student handbooks for more information about the expectations and consequences. In case of an inconsistency between Board policies and/or school handbooks, Board policies will prevail.

I. Violence and Threats

Students shall not engage in violent or threatening behavior. Prohibited behavior includes fighting, assault and/or battery, taking hostages, threats to commit violence against persons or property, and threats, intimidation, or harassment.
