I understand that in the case of an outbreak of the specific disease, for which my child is not protected, my child will be kept out of school and school activities. The length of time my child will be kept out of school may vary from a week to over a month depending on the disease and length of the outbreak. I also understand that if my child is kept out of school, the school is not required to provide off-site classes or tutoring. The school may make arrangements for my child to receive and complete school assignments and to make up missed examinations and other work within a reasonable time upon their return to school.
