Within twenty-five (25) days of receipt of the material, the employee may provide a written rebuttal to the material, which will be attached to the document.

D. Seniority, RIF and Recall

1. Seniority

a. By October 31 of each year, the Board shall establish and post seniority lists in all schools for all employees, within the bargaining unit, according to the number of years of continuous employment within the bargaining unit. The employee with the longest continuous employment within the unit shall be first on the list. In the event that two (2) or more employees commence continuous employment on the same date, the employee with the greatest number of years of employment by the Board shall be listed first.

b. Separate seniority lists shall be maintained for employees according to the following job classifications:

- (1) Bus Drivers
- (2) Custodians including Head Custodian
- (3) Food Service Workers
- (4) Maintenance Mechanic including Supervisor

2. Reduction in Force (RIF)

a. "Reduction in Force" (RIF) shall mean the termination of employment of an employee when changes in local conditions warrant the elimination of the position.

b. In the event of a RIF within a job classification, the lowest employee on the seniority list for the job classification being reduced shall be terminated if the other employees are determined by the Superintendent to possess the necessary skills, abilities, acceptable performance based on evaluations and other qualifications to perform the requirements of the position. An arbitrator shall have the authority to revoke or modify the determination of the Superintendent only if such determination is found to be arbitrary and capricious.

c. An employee who is RIF'd shall receive at least 30 calendar days' written notice.

d. The Board agrees to consult with the Association to the extent possible prior to a RIF upon written request from the Association and shall make available to the Association information required by law.

e. An employee who has been terminated shall be eligible to continue in any of the group insurance plans pursuant to COBRA regulations.

3. Recall (RIF)

a. Any non-probationary employee terminated due to a RIF shall retain the right of recall for fifteen (15) calendar months from the effective date of termination of employment to the first available position within the bargaining unit for which s/he is qualified as determined by the Superintendent.

b. In the event of a recall, the Board shall notify the Association and the employees on the recall status list who are qualified to fill the vacancy in writing, by registered mail, of the vacancy. To be recalled for the vacancy, employees on lay-off status must notify the Board of availability for recall within fifteen (15) calendar days of receipt of the Board's notification of the vacancy. If any employee on lay-off status so notifies the Board of their availability, the employee with the most seniority and who is the most qualified to meet the requirement of the vacant position will be the first recalled. It shall be the responsibility of the employee to keep the Superintendent notified of the employee's current mailing address.

c. Employees recalled within fifteen (15) calendar months from the effective date of termination shall retain their seniority and all benefits accumulated prior to the termination and shall be placed on the same wage step obtained prior to the termination.

E. Whenever a vacancy occurs in the bargaining unit, the provisions of Article III D-3 (the recall provision) shall be followed if applicable. Each opening will be posted on the district's employment web page and e-mailed to all employees concurrently with any public advertisement for the position. If the opening occurs or is to be filled during non-school weeks, written notice of the opening will be posted on the District's web site. If shifting an internal candidate to fill the vacancy, seniority will be the determining factor for filling the bargaining unit opening provided the applicants' demonstrated skills and qualifications are equal as determined by the Business Manager,

F. Subcontracting

Before subcontracting is considered, the Superintendent or his/her designee will meet and consult with the Association to consider other alternatives. The subcontracting of work ordinarily performed by employees covered by this Agreement will only occur if work is not being completed in satisfactory and timely fashion due to understaffing and when overtime by employees is not enough to complete the work satisfactorily. Subcontracting will have specific work parameters outlined and occur within a specific timeframe. Once the School Department has reached full staffing the subcontracting will end.

Such contracted services may supplement, but not supplant, existing bargaining unit services and the parties agree that no employee of the district will be laid off or see their regularly scheduled hours reduced as a result of the subcontracted work.

When the leave is used for non-emergency purposes, such as for recreation or vacation like activities, the Superintendent/designee can deny the leave when the Superintendent/designee reasonably determines it will cause undue hardship to the operations of the school. Provided that the employee has not used forty (40) hours or more of contractual paid leave (sick, family, vacations, and/or personal business days) in the contract year, restrictions on the use of contractual paid leave shall be waived and employees may use contractual paid leave in one (1) hour increments or more.

2. The bank will be administrated by a continuing committee composed of the Superintendent, the Business Manager, President of Association, and one (1) member designated by the Association. A majority vote of the committee shall be required for any days to be granted. The committee shall report to the Board, the Association and the employees annually, indicating the use of the sick leave bank. A decision to deny a request for sick leave bank days is not arbitral.

3. Each bargaining unit member who wishes to become a member of the sick leave bank shall contribute one (1) day of his/her accumulated sick leave to the bank each year until the bank is built up to a maximum of two hundred (200) days.

Beginning in the third year of this agreement, an employee may voluntarily elect to withdraw from their existing health insurance offered by the School Board. For such employees the board, as an alternative, will contribute \$3,000 to be disbursed through the payroll process. To receive this benefit the employee must elect this option during the annual benefit open enrollment period for the subsequent contract year. This benefit will be administered in accordance with all applicable provisions of the IRS Code and the Board's Section 125 plans and is a taxable benefit that does not qualify for MainePERS. This benefit will be prorated over the course of the year according to the employee's contract period in the regular paycheck and not as a one-time distribution. Employees who currently have district health coverage and are employed less than full-time shall have their benefit prorated to their proportion of full-time employment. New hires that elect to not be covered by the district health insurance plan will also be eligible for the benefit. If an employee desires to reinstate coverage during the contract year due to a qualifying event as determined by Internal Revenue Code, Section 125, the benefit will be terminated as of the first month of health coverage.

In order to be eligible for this cash-in-lieu of health insurance benefit, for a particular school year, during open enrollment for that year the employee must sign and return to the School Board a statement attesting that the employee, and all other individuals for who the employee reasonably expects to claim a personal income tax exemption for each tax year that begins or ends during the upcoming school year ("tax family"), will have minimum essential health insurance coverage under another employer's group health plan, other than the Town of Cape Elizabeth or the Cape Elizabeth School Department, (such as the employee's spouse).

Notwithstanding the foregoing attestation by an employee, no cash-in-lieu payment will be made to an employee if the School Board knows or has reason to know that the employee or any other member of the employee's expected tax family does not have or will not have coverage under another employer's group health plan during the school year in question. The School Board reserves the right in its sole discretion to require additional documentation of other group health insurance coverage from the employee, such as certificate of coverage from the other employer's group health plan, in order for an employee to be eligible for cash-in-lieu. Employees will be required to provide a new, signed attestation statement each year during open enrollment in order to be eligible for a new cash-in-lieu payment.

Married couples who both work for the Cape Elizabeth School Department are not eligible for this benefit.

B. Dental Insurance:

1. The Board agrees to pay up to but not more than \$250 for each year of this contract towards the cost of a group dental plan consisting of the Northeast Delta Dental Plan, provided that the Board reserves the right to institute a new program of insurance providing benefits are substantially equal to or superior to these referred to herein. The difference shall be charged on a pro rata basis to the employee's accumulated sick leave and shall cease when the employee's sick leave is exhausted. An employee shall refund to the Board any payments received in excess of those permitted herein.

2. An employee on workers' compensation leave shall not accrue vacation, personal days or sick leave and shall not be eligible for any vacation or holiday pay while on a workers' compensation leave. The employee, if a participant in the Board's health insurance program, may continue their participation, at the employee's expense.
