A leave request for a non-emergency purpose must be provided to the employee's supervisor forty-eight (48) hours prior to the date of the request. Provided that the employee has not used forty (40) hours or more of contractual paid leave (sick, family, and/or personal business days) in the contract year, restrictions on the use of contractual paid leave shall be waived and employees may use contractual paid leave in one (1) hour increments or more.

B. Maine Paid Family Medical Leave

Within six months after implementation of the Paid Family Medical Leave (MPFML) program, the parties agree that the parties will - upon request from the other party - bargain over issues related to the state's implementation of the benefits associated with the program. If the Board is considering a change in coverage under MPFML, the Board will notify the Association, in writing, and upon request will bargain over any impact of the proposed change with the Association prior to implementation.

The Association agrees that employees covered by this agreement shall pay one half of one (1) percent of the premium associated with MPFML.

ARTICLE V - SICK LEAVE

A. Upon hire, an employee will be granted seventeen (17) sick days and for each subsequent year of employment, each employee shall be granted seventeen (17) sick days on July 1st with full pay for personal and/or family illness, disability, or accident. Sick days may accumulate to a maximum of one hundred thirty-five (135) days. A sick day is equal to the standard number of hours an employee works in a typical work day.

B. Sick Leave Bank

- I. The purpose of the sick leave bank is to provide income protection for members who, because of prolonged illness, have exhausted their accumulated sick leave benefits and are unable to return to work.
- II. The bank will be administrated by a continuing committee composed of the Superintendent, the Business Manager, President of Association, and one (1) member designated by the Association. A majority vote of the committee shall be required for any days to be granted. The committee shall report to the Board, the Association and the employees annually, indicating the use of the sick leave bank. A decision to deny a request for sick leave bank days is not arbitral.
- III. Each bargaining unit member who wishes to become a member of the sick leave bank shall contribute two (2) days of their accumulated sick leave to the bank each year until the bank is built up to a maximum of 150 days. When the bank drops below 100 days, it shall be replenished to 150 days according to the above procedure.
- IV. Any eligible part-time employee may make a pro rata deposit of sick leave days to the bank and, if a request is granted, shall receive pro rata benefits.

VIII. Upon application and approval, a member may draw a maximum of thirty (30) days from the sick leave bank in any one school year.

C. In the event of absence of an employee for illness, disability, or accident in excess of three (3) consecutive work days, the Superintendent may require the employee to submit to a medical examination by a physician referred to by the Board attesting to the employee's ability to return to work. Examination by any physician to which the employee is referred by the Board shall be at the Board's expense. The employee shall provide or cause to be provided a report of any examination to the Superintendent.

D. Workers Compensation

I. In case of injury covered under the Maine Workers' Compensation Act, an employee will receive from the employee's accumulated sick leave the difference between the amount of the employee's net regular pay and the amount received as workers' compensation. The difference shall be charged on a pro rata basis to the employee's accumulated sick leave and shall cease when the employee's sick leave is exhausted. An employee shall refund to the Board any payments received in excess of those permitted herein.

II. An employee on workers' compensation leave shall not accrue vacation, personal days or sick leave and shall not be eligible for any vacation or holiday pay while on a workers' compensation leave. The employee, if a participant in the Board's health insurance program, may continue their participation, at the employee's expense.

III. During any workers' compensation leave and while the employee retains a qualified right of reinstatement under this Agreement, the Board may periodically require the employee to submit a medical statement satisfactory to the Board from the employee's attending physician and/or to submit to a medical examination by a physician selected by the Board as a condition of continued leave and/or reinstatement, whichever is applicable.

ARTICLE VI - BEREAVEMENT LEAVE AND TEMPORARY LEAVES OF ABSENCE

A. Death in the Family

I. In case of death of a member of the employee's immediate family, as defined by the employee, the employee shall have up to five (5) working days paid leave of absence for each occurrence. Additional days may be granted by the Superintendent, which the employee may elect to deduct a maximum of two (2) days from the employee's accumulated sick leave, or personal days.

II. The employee shall be granted three (3) days, cumulative, for death(s) of other family relations. Notice of death to be provided to Superintendent if requested. Additional days for death of other family relations may be granted by the Superintendent which the employee may elect to deduct a maximum of two (2) days from the employee's accumulated sick leave or personal days.

B. Personal Business days

Each employee shall be entitled to two (2) personal business days. This leave shall be used only for matters of urgent personal business which cannot be conducted outside of the employee's normal work hours. Except in an emergency there shall be forty-eight (48) hours' prior notification to the Principal and/or Administrator. Up to two (2) days of unused personal

business leave may be carried over to the next year but may not result in any more than four (4) days in the aggregate. Any unused personal days are not paid out upon separation of employment.

C. Jury Duty

All employees shall be granted with pay, on days they would otherwise be working, the time necessary for appearances in any legal proceeding connected with the employee's employment or with the school system or in any other legal proceedings if the employee is required by law to attend. Any payments received by an employee for attendance at any such proceeding shall be transmitted to the Board, except that an employee shall not be required to transmit to the board any payment received for travel. An employee is not required to return to work if any legal proceeding, as described above, ends before the end of their typical work day.

ARTICLE VII - INSURANCE BENEFITS

A. Medical Insurance:

I. The Board shall make available a comprehensive group health insurance program for eligible employees. Entitlement applies to those belonging to the Cape Elizabeth group.

- MEA Choice Plus
- MEA Standard Plan
- MEA Standard Core
- MEA Standard Basic

I. The Board will contribute according to the following schedule towards the cost of a health insurance plan based upon an employee's eligibility:

- 86% of the current year's rates of the MEA Choice Plus Plan

I. Employees who work 17.5 hours per week or more, but less than full time (35 hours) shall receive a pro-rated benefit based upon hours worked compared to full time.

II. Employees who work fewer than 17.5 hours per week shall not be eligible for Board contribution to health insurance benefits. If the Board's provider allows, such employees may purchase health insurance by payroll deduction as part of the Board's group by paying 100% of the premium cost.

III. Spouses of employees eligible for health insurance benefits through their employer will not be eligible for coverage.

IV. Cash-in-Lieu of Health Insurance:

An employee may voluntarily elect to withdraw from their existing health insurance coverage offered by the School Board. For such employees the board, as an alternative, will contribute \$3,000.00 to be disbursed through the payroll process. To receive this benefit the employee must elect this option during the annual benefit open enrollment period for the subsequent contract year.

This incentive will increase from \$3,000 to \$5,000 in year two of this agreement if three or more employees in the Ed Tech bargaining unit move off the district's insurance plan during open enrollment (May of 2026). If this condition is

met in the second year, the cash-in-lieu amount will remain the same at \$5000 for year three of the agreement.

This benefit will be administered in accordance with all applicable provisions of the IRS Code and the Board's Section 125 plans and is a taxable benefit that does not qualify for MainePERS. This benefit will be prorated over the course of the year according to the employee's contract period in the regular paycheck and not as a one-time distribution. Employees who currently have district health coverage and are employed less than full-time shall have their benefit prorated to their proportion of full-time employment. New hires that elect to not be covered by the district health insurance plan will also be eligible for the benefit. If an employee desires to reinstate coverage during the contract year due to a qualifying life event as determined by the Internal Revenue Code, Section 125, the benefit will be terminated as of the first month of health coverage. In order to be eligible for this cash-in-lieu of health insurance benefit, for a particular school year, during open enrollment for that year the employee must sign and return to the School Board a statement attesting that employee, and all other individuals for whom the employee reasonably expects to claim a personal income tax exemption for each tax year that begins or ends during the upcoming school year ("tax family"), will have minimum essential health insurance coverage under another employer's group health plan, other than the Town of Cape Elizabeth or the Cape Elizabeth School Department, (such as the employee's spouse).

Notwithstanding the forgoing attestation by an employee, no cash in lieu payment will be made to an employee if the School Board knows or has reason to know that the employee or any other member of the employee's expected tax family does not have or will not have coverage under another employer's group health plan during the school year in question. The School Board reserves the right in its sole discretion to require additional documentation of other group health insurance coverage from the employee, such as a certificate of coverage from the other employer's group health plan, in order for an employee to be eligible for cash in lieu. Employees will be required to provide a new, signed attestation statement each year during open enrollment in order to be eligible for a new cash in lieu payment.

Married couples who both work for the Cape Elizabeth School Department who currently use this benefit can continue to do so. All others are not eligible for this benefit.

B. Group Life Insurance:

The Board shall pay the premium towards \$10,000.00 or the first \$10,000.00 of any amount of Maine State Retirement System Group Life and Accidental Death and Dismemberment insurance to which the employee is entitled as a participating member of the Maine State Retirement System.

C. Dental Insurance:

The Board agrees to pay 86% of the single plan per year for each year of this contract towards the cost of a group dental plan consisting of the Northeast Delta Dental Plan, provided that the Board reserves the right to institute a new program of insurance providing benefits are substantially equal to or superior to these referred to herein. Entitlement applies to those belonging to the Cape Elizabeth group who work over seventeen and one-half (17.5) hours per week. Employees who work 17.5 hours per week or more, but less than full time (35 hours) shall receive a pro-rated benefit based upon hours worked compared to full time.

D. Section 125:

- I. The School Board will offer a Section 125 premium-offset plan which would provide a tax-sheltered opportunity for employees to pay for health and dental insurance premiums.
- II. The School Board will offer as benefits under the Section 125 Plan through a party chosen by the Board a Medical Care Reimbursement Plan and a Dependent Care Reimbursement Plan. The per account/per month administrative fee(s) shall be paid by the individual participant utilizing one or both of the separate benefit plans under the Cafeteria Plan.

ARTICLE VIII - ASSOCIATION RIGHTS

A. Association Business

- I. Representatives of the Association shall be allowed time off, with pay, for mutually scheduled meetings with Board officials concerning Association business.
- II. The Association shall have the right to use faculty lounge bulletin boards for the posting of notices relating to Association business.
- III. Representatives of the Association may transact official Association business on school property provided that prior approval has been received from the Principal and/or Superintendent, and that such use does not interfere with normal operation as perceived by the Principal and/or Superintendent. All requests to use school buildings and facilities shall be made at least 48 hours in advance, and the Association shall reimburse the board for any extra labor costs required by such use.

B. Dues Deduction

- I. The Board agrees to deduct from the employee's salary money for local, state and national association membership dues upon written authorization of the employees in not less than 20 equal installments. The deductions shall continue from year to year unless the employee gives written notice to the Superintendent and the Association during the first two weeks of September of the given year of membership termination. The effective date for termination of the deduction shall be the first payday after September 15.
- II. The Association agrees to indemnify and hold harmless including any penalties or legal costs the Board against all claims by reason of any action taken in making deductions of such dues and remitting the same to the Association.

ARTICLE IX - JOB DESCRIPTIONS AND RECLASSIFICATION

A. Upon hire, each employee shall be provided with a current written job description which describes their responsibilities. The Superintendent or designee shall provide all employees and the Association with an electronic copy of the job description whenever jobs are created or modified. No change in job description or qualifications for employees shall be made by the Board without prior notice to the Association and its member representative. All job descriptions are available for review by employees on the Cape Elizabeth School District website in the Human Resources section.

B. When an employee works as a substitute teacher rather than their current classification or beyond the school day on a temporary or part-time basis, they shall be paid at their Ed. Tech II or III rate of pay for that work.

C. When an Ed. Tech. II or III provides coverage for an absent teacher as well as her/his own duties, the Ed Tech II or III shall receive their regular pay plus a \$50 stipend for each full day.

ARTICLE X - EDUCATIONAL IMPROVEMENT

A. The Board will pay expenses incurred by employees who attend workshops approved in writing by the Superintendent in advance.

Reimbursement will be provided for tuition, texts, and all fees up to the total cost per credit hour for tuition and generally applicable fees at the University of Maine at Orono rate plus 20%. These costs will be determined at the time of participation and shall be approved by the Superintendent in writing. Anticipated use of this benefit shall be communicated in writing by the educational technician to the Superintendent prior to February 1 preceding the use of this benefit. Reimbursement shall not be made for any courses taken during the summer recess if the educational technician resigns from employment prior to or within ninety (90) workdays of the immediate school year. The maximum number of credit hours to be reimbursed in any year shall not exceed nine (9) credit hours.

C. Third Party Billing

- I. As an alternative to the above reimbursement procedure, the Board shall provide any Educational Technician who complies with the above approval procedures for course reimbursement the option of receiving an educational loan or advancement to any accredited college or university for a direct advance payment (“third party billing”). The Superintendent shall make arrangements at the employee’s request with any accredited college or university for a procedure for third-party billing for the educational loan or advancement, provided a third-party billing option is available. Third party billing is not allowable for the payment of any courses exceeding nine (9) credit hours per school year.
- II. In the event that any employees who has used this advance payment procedure fails to successfully complete the course(s), with a passing grade, or to provide written verification of successful completion, with a passing grade, within sixty (60) days from the ending date of the course, the employee shall reimburse the Board the amount of payment made on behalf of the employee. Unless other written repayment arrangements are made with the Superintendent, any reimbursement owed to the Board by the employee shall be made by payroll deductions in six (6) consecutive payments. Full payment may be made to the business office at any time.
- III. Should the employee cease employment with the Board, the amount remaining due shall be paid in full from the employee’s final pay.
- IV. The employee must sign the educational loan/advancement (payroll deduction) form prior to the implementation of direct third-party billing by the School Department Central Office.

D. Upon retirement after no less than fifteen (15) consecutive years of employment in the Cape Elizabeth schools, an employee shall receive a single, one-time payment equal to the employee's average rate of pay during the last year of service multiplied by the number of days sick leave the employee has accrued, up to a maximum of thirty (30) days. Notification of retirement plans must be given to the Superintendent prior to February 15 of the year in which the employee intends to retire. Failure to give timely notice of retirement plans may result in lack of funds for retirement benefit and payment may be delayed.

Upon retirement, an additional \$2500 stipend will be paid to an employee with twenty (20) consecutive years of employment in the Cape Elizabeth schools.

Upon retirement, an additional \$3000 stipend will be paid to an employee with twenty-five (25) years of consecutive service in the Cape Elizabeth schools.

Employees who work regularly scheduled hours shall be paid either as earned, or in twenty-one (21) equal installments, or in twenty-six (26) equal installments. The amount to be averaged shall be based on the employee's anticipated school year pay. By selecting a pay averaging option, the employee is voluntarily selecting to have compensation deferred over a period of time longer than the duty period.

Employees shall make their election upon hire for new hires or in June for incumbent employees. Employees may not change their election for the duration of the work year. Adjustments for additional hours beyond the employee's regular schedule or for loss of hours from the employee's regular schedule shall be made from the employee's wages for the pay period in which the additional work or loss of work occurred.

Employees hired mid-year shall have their pay averaged in proportion to the remaining work year. If, because of mid-year termination or separation, the amount an employee receives under this pay averaging system is more than the employee has earned, such overage shall be withheld from their last paycheck. If the employee receives less than their paid hours times their rate of pay under this pay averaging system, the Board will pay such underpayment to the employee in their last check.

Employees must sign an individual 'Wage Statement' indicating their "pay period election" and submit the form to the Business office by June 1st, of each school year for the coming school year. ARTICLE XV - VACANCIES/ASSIGNMENTS

A. Whenever a vacancy occurs in the bargaining unit, the provisions of Article III C-3 (the recall provision) shall be followed if applicable. Whenever a vacancy occurs or a new position is added, the position will be posted internally by emailing all staff a copy of the posting at the same time the position is posted externally. If the opening occurs or is to be filled during non-school weeks, written notice of the opening will be posted on the District's web site. In the filling of such vacancies, current members of this bargaining unit shall be granted interviews upon written request.

B. Employees shall annually be provided the opportunity to express their preferences for building-level assignments.

C. In the event of a reassignment, the employee's supervisor shall inform the employee of the change at least thirty (30) days prior to the effective date except in the case of an emergency and provide the employee with the opportunity to discuss the reassignment.

ARTICLE XVI - MANAGEMENT RIGHTS

Except as otherwise provided in this Agreement, the operation and management of the schools and the controlled supervision and direction of the employees are vested in the Board. Further, the Association acknowledges the right of the Board to establish work rules with which each employee shall be familiar and responsible for compliance provided such work rules are not inconsistent with the provisions of this Agreement. These work rules shall be published and made available to all employees.

ARTICLE XVII - STRIKES AND SLOWDOWNS

The Association agrees that during the term of this Agreement neither it nor its officers or members will engage in, encourage, sanction, support, or suggest any (1) strikes, (2) slow downs, (3) mass absenteeism, (4) mass resignations, or (5) any other similar actions which would involve suspension of or interference with the normal work of the School System.

ARTICLE XVIII - DURATION OF THE CONTRACT

A. This Agreement constitutes the entire agreement between the parties for the term as to all matters subject to collective bargaining. No change, rescission, alteration or modification of this Agreement in whole or in part shall be valid unless the same is ratified by both the Board and the Association and endorsed in writing hereon.

B. This Agreement shall remain in full force and effect from July 1, 2025 to June 30, 2028.

ARTICLE XIX - SAVINGS CLAUSE

If any provision of this Agreement is contrary to law, then such provision shall be valid only to the extent permitted by law, but all other provisions of this Agreement will continue in full force and effect
