Achievement Center Coordinator

TITLE: Achievement Center Coordinator & Technology Integrator

QUALIFICATIONS:

I. Education/Certification: Hold or be eligible to obtain a Maine Department of Education certification. Hold a valid State of Maine Criminal History Records Check Approval.

II. Special Knowledge/Skills:

- I. Experience working with high school students and teachers preferred.
- II. Ability to communicate verbally and in writing.
- III. Ability to work effectively with adults who have many different experiences, attitudes, and skill levels with respect to technology to support them with the integration of technology in classroom instruction.
- IV. Active and empathetic listening - giving full attention to what others are saying and taking time to understand and empathize before offering solutions.
- V. Time management and prioritization - managing one's own time and setting priorities effectively.
- VI. Clarity and simplicity in explanation - communicating clearly and adjusting the message so that it is clear to different end users of technology.
- VII. Customer and personal service - knowledge of principles and processes for providing customer and personal services. This includes customer needs assessment, meeting quality standards for services, and evaluation of customer satisfaction.
- VIII. Ability to work effectively and collaboratively with adults and adolescents.
- IX. Ability to work independently in solving problems.
- X. Strong organizational skills.
- XI. Knowledge of basic computer networking concepts.
- XII. Ability to communicate a big picture vision and manage details (project management skills).
- XIII. Knowledge of multiple Operating Systems.
- XIV. Knowledge of basic computer hardware.
- XV. Knowledge of basic computer printing devices.
- XVI. Troubleshooting technology problems and challenges.
- XVII. Coaching and mentoring skills.
- XVIII. Knowledge of various software packages and ability to learn new apps and applications quickly.

III. Experience: Demonstrated aptitude or competence for successful fulfillment of assigned performance responsibilities.

REPORTS TO: High School Principal and Director of Educational Technology

JOB GOAL:

To provide general oversight concerning the coordination of the High School Achievement Center to support student learning, including basic troubleshooting of the technology included in the Center; to supervise the work of the Achievement Center Coordinator Assistant who had day-to-day responsibility for the operation of the Achievement Center; and to work with the Library and Information Technology Specialist and the members of the technology team on a day-to-day basis to support the integration of technology into classroom instruction.

PERFORMANCE RESPONSIBILITIES:

The Achievement Center Coordinator aspect of this role is an oversight and supervision role, not a role in day-to-day operations of the Center and includes but is not limited to, the following:

- I. Provide basic technical support for Center software and associated hardware. Work with vendor to solve issues that arise regarding that software and schedule any necessary professional training under the terms of contract.
- II. Oversee in a general way the organization and coordination of the Center staff (including volunteer staff) so that the Achievement Center best serves the needs of students.
- III. To act as the lead ambassador and advocate for the Achievement Center with students, staff, and the community.
- IV. To provide the supervision and oversight necessary to support and evaluate the Achievement Center Coordinator Assistant who is assigned responsibility for the day-to-day operations of the Achievement Center.
- V. To provide input and advice to the Principal in connection with preparing a budget for the Achievement Center that will allow it to address the needs of students.
- VI. Other responsibilities consistent with the successful implementation and operation of the Achievement Center as identified by the Principal.

The duties regarding support for the integration of technology into classroom instruction are the day-to-day primary duties of this position and include but are not limited to the following:

- I. To work as an integral member of the technology staff, including attendance at technology staff meetings and coordination with the efforts of other staff in the Cape Elizabeth schools involved in supporting technology integration with other schools.
- II. To support, coach, and mentor teachers in the integration of technology in instruction in Cape Elizabeth High School,
- III. To work with the Library and Instructional Technology Specialist to provide support for the general operations of the CEHS Learning Commons.

WORKING CONDITIONS:

Mental Demands: calculating, comparing, editing, problem solving, evaluating, interpreting, organizing, consulting, analyzing, planning, designing, documenting, specifying, coordinating, implementing, presenting

Physical Demands: The physical demands listed here are representative of those that are required to successfully perform the essential functions of this job; sitting, walking, climbing stairs, operating computers and other equipment, using tools, and lifting or moving up to 50 pounds

Environmental Conditions: inside, working around moving objects, working alone

TERMS OF EMPLOYMENT:

195 work days. Compensation in accordance with recommendations established by the Superintendent of Schools and Business Manager.

EVALUATION:

The basis of the evaluation will be the extent to which the above performance responsibilities are successfully handled and the extent to which yearly action plans and job goals are met. The Principal and Director of Educational Technology will perform the evaluation.

The Cape Elizabeth School Department expects that all employees will perform assigned duties diligently, professionally, and efficiently and in compliance with all district policies and procedures as well as federal and state laws.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: February 9, 2016

Revised: August 30, 2016

To provide Psycho-educational Evaluations to the Cape Elizabeth School Department with added emphasis on serving as a resource and consultant to support general education and Instructional Support staff.

PROFESSIONAL RESPONSIBILITIES:

- I. Complete multi-disciplinary, comprehensive assessments of students in primary, middle, and secondary school which include, but are not limited to: cognitive, achievement, behavioral, personality, visual motor, memory, adaptive, and observational assessments.
- II. Presentation of results in written and oral format to parents, teachers, students, and school administrators.
- III. Consultation with teachers and parents.
- IV. Implementation of behavior management programs, as well as completing functional behavioral assessments of students.
- V. Identification of students presenting with executive functioning disorders.
- VI. Identification of students presenting with characteristics associated with Attention Deficit/Hyperactivity Disorder.
- VII. Conduct workshops/presentations on assessment tools used by evaluators.
- VIII. Member of Pre-Referral and Day-Treatment Team Meetings, with emphasis on keeping track of appropriate paperwork appointed by the Director of Special Services.
- IX. Provide DSM IV (Diagnostic and Statistical Manual of Mental Disorders) diagnoses for disability identification and for the IC-9 form for Day Treatment.
- X. Provide Psychological Services as a related service to students in special education, as well as part of the Pre-Referral process.

TERMS OF EMPLOYMENT:

Salary, benefits, and work year in accordance with recommendations established by the Superintendent of Schools.

EVALUATION:

The basis of the evaluation will be the extent to which the performance responsibilities of the job are successfully completed and the extent to which yearly action plans and job goals are met. The Director of Special Services will perform the evaluation.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: April 10, 2007

College Counselor

TITLE: College Counselor

QUALIFICATIONS: Education/Certification:

- I. Maine Department of Education certification as Guidance Counselor and/or significant, commensurate experience on a College Admissions staff.
- II. Minimum of Bachelor's Degree completed by an accredited college/university.
- III. Hold a valid state of Maine Criminal History Record Check (CHRC) approval.

Special Knowledge:

- I. Educational training and/or experience to meet the college planning and placement needs of students.
- II. Excellent skills in communicating and collaborating with students, parents, School Counseling office staff, teachers and other school staff, and College Admissions staff.
- III. Excellent skills in writing effective college recommendations for students.
- IV. Excellent organizational skills to manage the preparation and timely submission of school documents supporting student applications and the coordination of events and sessions helpful to parents and students concerning the college admissions process.
- V. Technology skills sufficient to understand, master, and guide others in the use of digital college applications and other school tools such as the Common Application, College Board, PowerSchool, Naviance, or other digital tools that may emerge.

REPORTS TO: Building Principal and Guidance director

JOB GOAL:

A College Counselor is an experienced professional who works to ensure that our students and their parents learn the requisite skills to successfully prepare for and navigate all aspects of the college search, applications, admissions, and financial aid processes. The college counselor ensures accurate and timely preparation and submission of necessary school documents. The college counselor begins working with students second semester of junior year, focusing on college planning and credential preparation. The fall semester is devoted to assisting seniors with the college application process.

PROFESSIONAL RESPONSIBILITIES:

The College Counselor:

- I. Has a primary obligation to the student, who is to be treated with respect as a unique individual.
- II. Is concerned with all students' college planning and encourages each student to develop appropriate plans.
- III. Demonstrates knowledge of the college admissions process and the role the school plays in supporting students' applications.
- IV. Is knowledgeable concerning admissions testing, academic preparation, effective college essay writing, financial aid, and teacher recommendation requirements.

- V. Has overall responsibility for coordinating all services connected with college admissions staff visits to Cape Elizabeth High School.
- VI. Writes an official school recommendation for each senior. Also, completes all school report and mid-year report forms.
- VII. Provides students with comprehensive and developmentally appropriate information concerning the college process delivered in classroom visits as well as one-one-one meetings.
- VIII. Consults with School Counselors, Teachers, Social Workers and other school staff to support students through the college process.
- IX. Maintains and secures records necessary for rendering professional services to the student as required by laws, regulations, institutional procedures and confidentiality guidelines.
- X. Provides interpretation of the nature, purposes, results, and potential impact of assessment/evaluation measures in terms of college admissions planning and placement.
- XI. Helps develop appropriate college plans based on individual student needs through careful review of the student's academic record, interests, and goals.
- XII. Assists students in developing a balanced college list, with a range of opportunities for admission.
- XIII. Establishes and maintains professional relationships with College Admissions staff as well as CEHS faculty, staff, and administration.
- XIV. Serves on relevant committees and attends staff meetings as required.
- XV. Continues to develop their own professional skills and knowledge concerning all aspects of the college process.
- XVI. Adheres to the National Association for College Admission Counseling's ethical standards.
- XVII. Assists and participates as necessary in the planning and carrying out of the functions of the School Counseling office that pertains to or impacts college planning processes, including testing and local scholarship selection.
- XVIII. Assists parents to support their students through the college process through needs and schedules to understand all aspects of the college search, applications, admissions, and financial aid processes.
- XIX. Offers appropriate training and professional development to teachers and other school staff so that they can effectively perform their important roles in the college process.
- XX. Meets and consults with parents to assist them in supporting their students through the college process.
- XXI. Participates in professional organizations and professional development opportunities to maintain and build skills, knowledge, and a network of professional contacts helpful in the role of College Counselor.
- XXII. Coordinates the development of a school website concerning the college process that is helpful, current, comprehensive, and user friendly.
- XXIII. Compiles an annual profile of the school, as well as information on grade distribution and decile bands.
- XXIV. Works with the Registrar to maintain records on seniors, including GPS's and transcripts.
- XXV. Keeps track of admission decisions and statistics.
- XXVI. Coordinates selection of college book award winners.
- XXVII. Performs other duties as assigned by the building administrator and/or the Superintendent.

TERMS OF EMPLOYMENT:

School year plus two weeks during the summer to close out one year and prepare for the next. Given the explosion in early applications, there may be discussions about shifting some additional work time away from the school year and to the summer.

EVALUATION:

Performance of this job will be evaluated by the Principal in accordance with provision of the School Board's policy on Evaluation of Professional Personnel.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: April 14, 2015

District-Wide Behavior Specialist (BCBA)

TITLE: District-Wide Behavior Specialist (BCBA)

QUALIFICATIONS:

- I. Master's Degree in applied behavior analysis (ABA), psychology, or education.
- II. Current certification from the Behavior Analyst Certification Board (BACB).
- III. Experience working after BCBA certification, preference for experience in a public school setting and holding Maine educational certification either as a school psychologist (093) or special education consultant (079).
- IV. Must be able to obtain Maine Department of Education Criminal History Record Check (CHRC) approval.

REPORTS TO: Director of Special Services

SKILLS:

- Effective written and verbal communication skills.
- Extensive skills in behavioral assessment and positive behavior support plan development.
- Extensive knowledge of data analysis.
- Ability to work collaboratively within a team atmosphere.
- Experience working with students with autism, emotional/behavioral disorders, and/or intellectual disabilities.

PRIMARY RESPONSIBILITIES:

- I. Participate in weekly team meetings.
- II. Co-teach/model social skills instruction.
- III. Develop tools and work with staff to collect progress-monitoring data on behavioral goals.
- IV. Conduct functional behavioral assessments and write reports summarizing results.
- V. Develop positive behavior support plans utilizing evidence based interventions.
- VI. Assess a student's instructional needs and develop appropriate programming.
- VII. Train staff on positive behavior support plans and instructional programs and monitor fidelity.
- VIII. Provide ongoing monitoring of student data and make programming adjustments as needed.
- IX. Assist in the development of a behavioral Response to Intervention system incorporating regular and special education students.

TERMS OF EMPLOYMENT:

Applicable terms of the Cape Elizabeth Education Association agreement.

EVALUATION:

The basis of the evaluation will be the extent to which the above performance responsibilities are successfully handled and the extent to which yearly action plans and job goals are met. The Director of Special Services will perform the evaluation.

The Cape Elizabeth School Department expects that all employees will perform assigned duties diligently, professionally, and efficiently and in compliance with all district policies and procedures as well as federal and state laws.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: May 9, 2017

School Board Approved: April 14, 2015

Revised: September 14, 2023

Instructional Strategist

TITLE: Instructional Strategist

QUALIFICATIONS:

Education/Certification:

- I. Maine Department of Education certification in Special Education 282 or 079.
- II. Teaching experience and educational background in the area of math and literacy, as well as the social/emotional needs of children.
- III. Hold a valid state of Maine Criminal History Record Check (CHRC) approval.

REPORTS TO: Director of Special Services

JOB GOAL:

To provide teacher leadership and support for the instructional support department. The goal of the position is to blend special and regular education together in a seamless structure.

PROFESSIONAL RESPONSIBILITIES:

- I. Provide scientifically based researched instructional strategies and methodologies with students in the special education referral process, as well as other students that might warrant instructional support to help reduce unnecessary environmental based referrals to special education.
- II. Consult with regular education mainstream and special education teachers (tier 1, tier 2, and tier 3) around scientifically based researched instructional strategies and methodologies.
- III. Sit on school pre-referral team to provide information and expertise on Response to Intervention (RTI)/Curriculum Based Measurements (CBMs) and provide assessments using instruments like Dynamic Indicators of Early Literacy (DIBELS).
- IV. Provide all Standardized Testing, i.e. WIATT II (Weschler Individual Achievement Testing) to help special education teachers in the referral and reevaluation process, as well as the process of getting input from the team and consent for evaluations from the parent(s).
- V. Sit on the school's Day Treatment Team and other committees that the Director and Principal deem necessary.
- VI. Consult with staff on how to graph the progress of students in the pre-referral process.
- VII. Have knowledge and training in multiple scientifically based research methodologies such as Wilson, Linda Mood Bell, Math interventions, Great Leap, and various other multi-sensory strategies and methodologies.
- VIII. Facilitate Individual Educational Programs (IEPs) meetings, where Prior Written Notices, Minutes will be completed. Also will collect and monitor case manager's draft IEP prior to every IEP meeting. Will also be responsible for collecting all Medicaid forms and keeping the proper documentation.
- IX. Develop Behavioral Intervention Plans and Functional Behavior Assessments and also provide social skill training when necessary.

TERMS OF EMPLOYMENT:

Twelve month year with actual salary, benefits, and work year set by the Board of Education through contract negotiations and appropriate policies.

EVALUATION:

Performance of this job will be evaluated by the Principal in accordance with provision of the Board's policy on Evaluation of Professional Personnel. The Director of Special Services will perform the evaluation.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: Draft: February 2007

K-12 Literacy Coordinator

TITLE: K-12 Literacy Coordinator

QUALIFICATIONS:

Education/Certification:

- I. Masters Degree in Education, Curriculum, or literacy-related area preferred.
- II. Certification as literacy specialist and/or curriculum coordinator preferred.
- III. Hold a valid state of Maine Criminal History Record Check (CHRC) approval.

Experience:

- I. Experience in elementary (K-6) or secondary (7-12) literacy instruction (3+ years); experience at both levels preferred.
- II. Effective listening skills.
- III. Ability to pose thoughtful strategic questions.
- IV. Strong leadership qualities and facilitation skills.
- V. Experience in working with teachers to improve practice.
- VI. Experience in data analysis.
- VII. Demonstrable knowledge of research-based best practices in content-area literacy skills and strategies and in K-12 literacy instruction.
- VIII. Experience/preparation in modeling lessons, observing teachers, and providing non-judgemental feedback.
- IX. Strong organizational skills.
- X. Other qualifications as determined by the Superintendent of Schools.

REPORTS TO: Superintendent of Schools

SUPERVISES: Education Technicians and/or Volunteer(s) as assigned.

JOB GOALS:

To provide continuous job-embedded professional development supporting teachers in all content areas in their instruction in reading, writing, listening, viewing and speaking, to coordinate district-wide curriculum work in English/language arts, and to support the implementation of the Common Core standards.

PROFESSIONAL RESPONSIBILITIES:

Within the domain of literacy, the Literacy Coordinator will:

- Design and deliver on-going job-embedded professional development to address the identified needs of teachers and/or the schools.

- Collaborate with teachers in planning, delivering, and assessing daily classroom instruction.
- Model lessons that address individual classroom needs utilizing best teaching practices in differentiation and instruction using literacy skills and strategies.
- Conduct pre- and post- conferences with teachers to stimulate their understanding of students' thinking and work.
- Maintain the confidentiality of students, teachers, and the classrooms.
- Maintain a repertoire of best teaching practices in content-area literacy and literacy instruction.
- Work with faculty to align instruction with district initiatives.
- Coordinate and/or facilitate curriculum and program pilots at the building level.
- Collaborate with curriculum committees on curriculum alignment, instruction, and assessment practices.
- Assist in implementation of standards, indicators of success, and benchmarks established by curriculum committees.

TERMS OF EMPLOYMENT:

Twelve months per year with salary, benefits, and work year to be established by the School Board pursuant to appropriate policies and agreements and in accordance with recommendations established by the Business Manager and Superintendent of Schools.

EVALUATION:

The basis of the evaluation will be the extent to which the performance responsibilities of the job are successfully handled and the extent to which yearly action plans and job goals are met. The Superintendent will perform the evaluation.

The Cape Elizabeth School Department expects that all employees will perform assigned duties diligently, professionally, and efficiently and in compliance with all district policies and procedures as well as all federal and state laws.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: October 9, 2012

Library/Media Specialist

TITLE: Library/Media Specialist

QUALIFICATIONS:

Education/Certification:

- I. Maine Department of Education certification as a Library/Media Specialist (071) and other legal credentials required to be “Highly Qualified” according to State and Federal Standards.
- II. Holds degree(s) required for Library/Media Specialist.
- III. Hold a valid state of Maine Criminal History Record Check (CHRC) approval.

REPORTS TO: Building Principal

SUPERVISES: Education Technicians and/or Volunteer(s) as assigned.

JOB GOALS:

The library media specialist ensures that students and staff are effective users of ideas and information. The job description outlines the essential functions of an efficient, successful library media specialist and provides a model for growth and exemplary service. The three key roles of the library media specialist are Information Specialist, Teacher and Instructional Partner, and Leader, Planner and Manager.

PROFESSIONAL RESPONSIBILITIES:

I. Information Specialist

- I. Guides learners through the information literacy process of identifying, locating, interpreting, utilizing, and communicating information.
 - a. Engages students and staff in defining information needs.
 - b. Assists learners in selecting appropriate resources.
 - c. Assists learners in accessing and evaluating intellectual content.
 - d. Supports the use and presentation of information and new knowledge.
 - e. Encourages reflection on and evaluation of the information literacy process.

- II. Plans, selects, and organizes a collection of resources guided by a collection development plan.

1. Follows a collection development plan to ensure a balanced, reputable and comprehensive collection of materials.
2. Selects materials to meet the needs of students, staff, and curriculum
3. Reads current literature, professional journals, and other resources for selection.
4. Maintains an efficient system of classifying, cataloging, and circulating all library materials to ensure equity of access.
5. Develops and regularly revises a written selection policy to be approved by the School Board.
6. Plans and maintains a relevant professional library to promote the professional development of the faculty, administration, and staff; supports the continuing educational research of faculty and administrators.
7. Evaluates the collection through inventory, removes obsolete and worn materials and updates resources.
8. Facilitates access to resources beyond the school library when appropriate.

III. Enables learners to access relevant information in a variety of formats using 21st century information, communication, and technology skills.

1. Assesses and promotes effective use of technology for teaching and learning.
2. Arranges for scheduling of facilities, staff time and collections to meet the needs of individuals, small groups, and large groups for research, browsing, recreational reading, viewing, instruction, or listening at the point of need.
3. Maintains awareness of evolving technology to anticipate the needs of the educational community.

IV. Participates in district, building, department, and grade level curriculum design and assessment development to support content area standards.

1. Incorporates the information literacy process into all content areas.
2. Assists teachers in identifying and accessing materials to support content area instruction as well as professional growth.
3. Assists in developing classroom assessment, school-wide rubrics, and the district local assessment system.

II. Teacher and Instructional Partner

I. Instructs and assesses students in mastering content standards by collaborating with other educators to integrate information literacy and the reading process across the curriculum.

1. Collaborates with other teachers, specialists, and educators to provide group and individual instruction.

2. Participates in district, building, department, and grade level curriculum instruction and assessment.
3. Instructs learners in the use of the library resources.

II. Encourages the school community to read for personal enrichment and academic achievement.

1. Promotes use of the library media center resources through displays and published communications.
2. Creates reading experiences for students in groups and as individuals.
3. Recommends reading materials to students and staff, i.e. preparation of reading lists.

III. Guides learners to extend information literacy to lifelong learning.

1. Teaches learners to formulate information problems using a variety of questioning skills.
2. Teaches learners to be effective users of information resources.
3. Teaches learners to comprehend and interpret information.
4. Teaches learners to utilize and communicate information.
5. Teaches learners to evaluate the process and the result, i.e. how well the solution resolved an information problem and if the steps taken were appropriate and efficient.
6. Fosters positive attitudes towards libraries and information literacy.

IV. Instructs learners in the use of appropriate technology to meet information needs.

1. Informs learners about various technologies available to meet information needs.
2. Teaches strategies for selecting appropriate technology.
3. Teaches learners how to use available technology for information access and retrieval.
4. Teaches learners how to use technology for production and dissemination of information.

V. Educates the school community in the ethical and appropriate use of information.

1. Informs the school community about the principles of intellectual freedom.
2. Instructs users in the rights and responsibilities relating to intellectual property, i.e. copyright, confidentiality/privacy, plagiarism.

III. Leader, Planner and Manager

- I. Plans, implements, and evaluates the school library media program to be consistent with the school's mission and expectations for student learning.
 1. Participates in the development of policies to ensure efficient operation and optimal service, appropriate use of resources, intellectual freedom, and academic integrity.
 2. Directs, organizes, and supervises the operation and services of the school library program.
 3. Develops annual and long-range plans for the school library program.
 4. Integrates curriculum needs into the library goals and objectives.
 5. Collects and analyzes data for planning and program evaluation.
- II. Participates in planning, for the allocation of resources and services.
 1. Manages the school library budget to provide equal opportunity for all students to achieve school expectations.
 2. Maintains awareness of grants and supplementary funding opportunities.
- III. Trains and supervises library support staff, student aides, and volunteers.
 1. Participates in the recruiting and hiring of other professional, paraprofessional, clerical, student, and volunteer library workers.
 2. Trains library workers in school library procedures and services to assist in supporting all learners.
 3. Participates in the supervision and evaluation of school library workers.
- IV. Assumes a leadership role in creating a dynamic educational climate for students and staff.
 1. Works with administrators and other appropriate personnel to develop long-range goals and objectives for the school library.
 2. Develops and continually updates professional expertise.
 3. Networks with other professionals through participation in local, state, and national organizations.
 4. Provides staff development opportunities for school personnel.
- V. Advocates for an effective school library program.
 1. Communicates the mission and goals of the school library program to the students, staff, administration, parents, and community.
 2. Initiates and maintains contact with administrators and other teachers about the library resources and programming.
 3. Maintains cooperative relationships with local public and academic libraries and other community organizations.
 4. Promotes library services to the wider school community.

TERMS OF EMPLOYMENT:

Twelve month year with actual salary, benefits, and work year set by the School Board through contract negotiations and appropriate policies.

EVALUATION:

Performance of this job will be evaluated by the Principal in accordance with provision of the Board's policy on Evaluation of Professional Personnel. The Building Principal will perform the evaluation.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: October 12, 2010

- IV. Provides day-to-day supervision of coaches, responsible for including the ability to lead and inspire participants and coaches to excel as citizens and members of the team.
- V. Promotes sportsmanship at all events and in all settings through appropriate modeling behaviors and verbal and written communication of expectations to coaches, competitors, and parents.
- VI. Schedules all interscholastic contests and practice including but not limited to officials, transportation and facilities.
- VII. Coordinates through the use of the Facilities and Transportation Department the use of gymnasiums, locker rooms, athletic fields, and other facilities and transportation as needed to conduct all programs in a timely manner.
- VIII. Conducts seasonal staff meetings to ensure that coaching personnel are familiar with school, league, conference, and competition rules as appropriate.
- IX. Demonstrates extensive knowledge of extracurricular programs and assesses effectiveness of programs in terms of their quality as educational experiences for students.
- X. Possesses extensive knowledge of and operates within Maine Principals' Association's policies and procedures.

- XI. Assures that equipment is safe, operable, and is in acceptable condition.
- XII. Possesses and maintains knowledge of sports medicine as it relates to first aid and acceptable practices relative to extracurricular activities.
- XIII. Establishes and maintains effective and courteous working relationships with students, parents, coaches, advisories, colleagues, administrators, board members, and the public.
- XIV. Maintains a comprehensive inventory of all equipment, including office equipment.
- XV. Attends professional conferences to stay current.
- XVI. Performs such other duties and responsibilities as assigned.

TERMS OF EMPLOYMENT:

Per negotiated Cape Elizabeth Education Association agreement.

EVALUATION:

The basis of the evaluation will be the extent to which the above performance responsibilities are successfully handled and the extent to which yearly action plans and job goals are met. The Middle School Principal will perform the evaluation.

The Cape Elizabeth School Department expects that all employees will perform assigned duties diligently, professionally, and efficiently and in compliance with all district policies and procedures as well as federal and state laws.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: August 27, 2013

MINDFULNESS COORDINATOR [CEMS]

QUALIFICATIONS:

- Bachelor's degree in education, psychology, counseling, or related field; master's degree preferred
- Hold a valid state of Maine Criminal History Record Check (CHRC) approval
- Certification in mindfulness education or equivalent training in mindfulness-based interventions
- Minimum of 3 years of experience working in education, preferably in middle school settings
- Demonstrated experience and proficiency in mindfulness practices, with a strong personal mindfulness practice
- Excellent communication and interpersonal skills, with the ability to effectively engage with students, parents, teachers, and administrators
- Strong leadership abilities, including the ability to inspire and motivate others and lead collaborative initiatives
- Knowledge of child and adolescent development theories and practices
- Cultural competency and sensitivity to the diverse backgrounds and experiences of students and staff members, with a commitment to promoting diversity, equity and inclusion (DEI) in all aspects of the work
- Patience, empathy, and compassion in working with middle school-aged students
- Commitment to ongoing professional development and learning in the fields of education, mindfulness, and DEI

OVERVIEW

The Middle School Mindfulness Coordinator leads our school's mindfulness initiatives and promotes the well-being of our students. The ideal candidate will have a strong background in education, mindfulness practice, leadership, and a commitment to Diversity, Equity, and Inclusion (DEI), with a passion for supporting the social, emotional, and academic development of middle school-aged students.

REPORTS TO:

CEMS Principal

PROFESSIONAL RESPONSIBILITIES:

- Leading mindfulness for our 5th graders which helps to set them up for success as they roll into their adolescent years.
- Working with technology integrator to co-lead 6th grade Technology Class centered around learning how to use technology applications for learning and building mindful tech use habits.
- Cultivating equitable and inclusive learning environments through a wide variety of student leadership programming.
- Organizing and leading crucial Tier I programming designed to support students in feeling connected, supported, safe, and welcomed at school in order to improve outcomes in SEL, behavior, executive functioning, and academics. Examples include programming like a school wide advisory system and specific SEL programming

during W.I.N. ("what I need").

- Leading parent engagement and community outreach efforts to strengthen support networks for our young adolescents rooted in mindfulness.
- Growing staff's capacity to embed mindful practice into their classrooms by leading Mindful Moments during staff PD, supporting general PD around building advisory programming, and working collaboratively to support teacher planning.
- Driving school level DEI work amongst staff
- Be responsible for any other tasks that may be assigned.

TERMS OF EMPLOYMENT:

Twelve month year, with actual salary, benefits, and work year set by the Board of Education through contract negotiations and appropriate policies.

EVALUATION:

The basis of the evaluation will be the extent to which the performance responsibilities of the job are successfully handled and the extent to which yearly action plans and job goals are met. The Middle School Principal will perform the evaluation.

The Cape Elizabeth School Department expects that all employees will perform assigned duties diligently, professionally and efficiently and in compliance with all district policies and procedures as well as all federal and state laws.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: May 14, 2024

School Board Approved: Draft January 16, 2007

School Counselor

TITLE: School Counselor

QUALIFICATIONS:

Education/Certification:

- I. Maine Department of Education certification as Guidance Counselor.
- II. Masters Degree completed by an accredited college or university.
- III. Hold a valid state of Maine Criminal History Record Check (CHRC) approval.

Special Knowledge:

- I. Educational training and/or experience to meet the counseling needs of all students.
- II. Excellent skills in communicating and collaborating with staff, parents and students.
- III. Excellent skills in consulting with staff, families, and non-staff professionals.

REPORTS TO: Building Principal

JOB GOALS:

A school counselor is a trained, certified professional who works to ensure that all of our students develop the knowledge, skills, behaviors, and attitudes to become successful individuals and citizens through the delivery of a comprehensive and developmentally appropriate program which addresses their academic, personal-social, and career guidance needs. A school counselor has the knowledge and skills needed to deliver appropriate services to students.

PROFESSIONAL RESPONSIBILITIES:

The professional school counselor:

- I. Has a primary obligation to the student, who is to be treated with respect as a unique individual.
- II. Is concerned with all students' educational, academic, and personal-social needs and encourages their maximum development.
- III. Demonstrates knowledge of counseling theory and techniques, child development, and encourages maximum development.
- IV. Is knowledgeable of laws, regulations, and policies relating to students and strives to protect and inform students regarding their rights.
- V. Provides students with a comprehensive and developmentally appropriate school counseling program.
- VI. Makes referrals to school social workers and/or outside resources as needed. Appropriate referrals may necessitate informing both parents/guardians and students of applicable resources and making proper plans for transitions with minimal interruption of services.
- VII. Maintains and secures records necessary for rendering professional services to the student as required by laws, regulations, institutional procedures, and confidentiality guidelines.

- VIII. Adheres to all professional standards regarding selecting, administering, and interpreting assessment measures.
- IX. Provides interpretation of the nature, purposes, results, and potential impact of assessment/evaluation measures.
- X. Helps develop appropriate plans based on individual student needs.
- XI. Consults and collaborates with families and school staff to facilitate students' maximum development.
- XII. Establishes and maintains professional relationships with faculty, staff, and administration.
- XIII. Serves on relevant committees and attends staff meetings as required.
- XIV. Improves their own professional skills and knowledge.
- XV. Adheres to the American School Counseling Association's ethical standards for school counselors.
- XVI. Performs other duties as assigned by the building administrator and/ or the Superintendent.

TERMS OF EMPLOYMENT:

Twelve months per year, salary and benefits to be established by the School Board pursuant to an agreement.

EVALUATION:

Performance of this job will be evaluated in accordance with provisions of the Board's policy and/or Board action on Evaluation of Professional Personnel.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.

School Board Approved: April 13, 2010

School Nurse

TITLE: School Nurse

QUALIFICATIONS:

Education/Certification:

- I. Current State of Maine license as a Registered Professional Nurse.
- II. Maine Department of Education certification as a School Nurse (524) or meets eligibility requirements.
- III. Minimum of Baccalaureate degree completed from an accredited college or university.
- IV. Hold a valid state of Maine Criminal History Record Check (CHRC) approval.

Special Knowledge/Skills:

- I. Minimum of three (3) years experience as a professional registered nurse.
- II. Background in counseling or counseling skills, desirable.
- III. Ability to collaborate effectively.
- IV. Ability to communicate and interact successfully with students, staff, and community members.
- V. A commitment to professional growth and reflective practice.

REPORTS TO: Building Administrator

SUPERVISES: Education Technician(s), Administrative Assistant(s), and/or Volunteer(s) as assigned or appropriate.

JOB GOALS:

To strengthen and facilitate the educational process by improving and protecting the health status of children and adolescents. The major focus of school nursing services is the prevention of illness and disability, and the early detection and correction of health problems and the successful health maintenance and inclusion of students with chronic health conditions. The school nurse is uniquely qualified in preventative health, health assessment, and referral procedures.

PROFESSIONAL RESPONSIBILITIES:

Essential Functions:

- I. Provides health assessments
 1. Obtains a health and developmental history
 2. Screens and evaluates findings for deficits in vision, hearing, growth, etc.

3. Observes the child for development and health patterns in making a nursing assessment and nursing diagnosis.
4. Identifies health findings which do not fall within the normal range.

II. Develops and implements health plans

- I. Develops a nursing care plan for every student with special health care needs requiring nursing assessment, intervention, or supervision.
 - II. Ensures that the student and their family are involved in all decision-making related to provision of health care in school.
 - III. Ensures that the necessary and appropriate resources are available to all persons who are responsible for providing school health care before a child is placed in a classroom.
 - IV. Interprets the health status of pupils to school personnel.
 - V. Initiates referrals to parents, school personnel, and community health resources for intervention, remediation, and follow through.
 - VI. Provides ongoing health information to pupils, parents, school personnel, and health agencies.
 - VII. Recommends and helps to implement modifications of school programs to meet students' health needs.
 - VIII. Utilizes existing health resources to provide appropriate care of pupils.
- ## III. Maintains, evaluates, and interprets cumulative data to accommodate individual needs of students.
- IV. Participates as the health specialist on the child education evaluation team to develop the health portion (I.H.P.) of individualized educational plans (IEP) and 504 plans.
 - V. Plans and implements school health management protocols for the child with chronic health problems, including the administration of medication.
 - VI. Participates in home visits to assess the family's needs as related to the child's health.
 - VII. Develops procedures and provides for crises intervention for acute illness, injury, and emotional disturbances.
 - VIII. Promotes and assists in the control of communicable diseases through preventative immunization programs, early detection, surveillance and reporting of contagious diseases.
 - IX. Recommends provisions for a healthy school environment conducive to learning.
 - X. Provides information on health.
 - I. Provides health information to assist students and families in making health-related decisions.
 - II. Participates in health education directly and indirectly for the improvement of health by teaching persons to become more assertive health consumers and to assume greater responsibility for their own health.

- III. Provides information to adolescents concerning health problems in order to encourage responsible decision-making practices.
- IV. Serves as a resource person to the classroom teacher and administrator in health instruction and as a member of the health curriculum development committees.
- XI. Coordinates school and community health activities and serves as a liaison person between the home, school, and community.
- XII. Acts as a resource person in promoting health careers.
- XIII. Engages in research and evaluation of school health services to act as a change agent for school health programs and school nursing practices.
- XIV. Assist in the formation of health policies, goals, and objectives for the school district.
- XV. Provide episodic care for student and staff acute illness and injury and emotional disturbances.
- XVI. Provides consultation and participates in school and district wellness activities.

Administration:

- I. Ensures that cumulative health records are maintained and updated.
- II. Helps develop/revise school health policies, procedures, and standing orders.
- III. Prepares the budget for school health supplies/services.
- IV. Reviews, revises, and implements emergency policies, including in-service health and safety programs for personnel.
- V. Prepares and organizes distribution of first aid kits for each building.
- VI. Organizes, instructs, and supervises school health volunteers or assistants.
- VII. Reports regularly in writing to the principal and superintendent on school health activities.
- VIII. Ensures preparation of statistical reports for the Department of Education, Department of Health and Human Services, and the Maine Center for Disease Control and Prevention for the superintendent's signature as required.
- IX. Implements the school medication policy and procedure.

Coordination:

- I. Interprets school health services to school personnel.
- II. Plans, implements, and supervises school health screening programs in accordance with state and district requirements and recommendations. Provides follow-up services when indicated.
- III. Supports students and parents with diagnoses and treatments.
- IV. Serves as a health liaison between school, home, and community resources.
- V. Encourages parents to maintain current immunization protection as recommended by the Department of Health and Human Services.
- VI. Participates in the health aspects of kindergarten pre registration and screening.

- VII. Helps school personnel recognize departures from appropriate behavior and growth patterns; helps students and staff adjust student programs when necessary to accommodate health needs of students.
- VIII. Serves as a resource person to school personnel. Participates selectively in classroom instruction under the supervision of the teacher.

Legal and Ethical Duties:

- I. Maintains confidentiality about all aspects of student performance and written and oral records.
- II. Demonstrates a respect for the legal and human rights of students.
- III. Follows health and safety procedures established by the District.
- IV. Arrives and departs punctually, notifying appropriate personnel about absences and coverage.
- V. Demonstrates dependability, integrity, and other ethical standards.

Role in delegation, coordination, and oversight of health related tasks to unlicensed personnel:

- I. Identify the student's needs and develop/consult on the plan of care.
- II. Identify the tasks to be performed by the unlicensed personnel.
- III. Provide direction/training to the unlicensed personnel.
- IV. Ensure that the necessary and appropriate resources are available to all persons who are responsible for providing school health care before a child is placed in a classroom.
- V. Determine the ability of the unlicensed staff to perform the task.
- VI. Monitor the designated staff's reporting and documentation of the task.
- VII. Ensure that designated staff reports directly to the certified school nurse for the performance of the task.
- VIII. Evaluate the performance of the task as it relates to the student outcome and initiate corrective action as appropriate within the school setting.

TERMS OF EMPLOYMENT:

Applicable terms of the Cape Elizabeth Education Association agreement.

EVALUATION:

Performance of this job will be evaluated in accordance with provisions of the Board's policy and/or Board action on Evaluation of Professional Personnel.

The Cape Elizabeth School Department expects that all employees will perform assigned duties diligently, professionally, and efficiently and in compliance with all district policies and procedures as well as all federal and state laws.

NOTE:

The above job description reflects the general requirements necessary to describe the principal functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.
