REPORTS TO:

District Technology Coordinator

JOB GOAL:

The school district Data Facilitator insures the integrity for the school district data and functions as the key analyst, manager, and report writer of this data. This person will make the data accessible, and easy to understand so it may be used to support teaching and learning.

PERFORMANCE RESPONSIBILITIES:

- Support staff with the district's Student Information System (SIS) and other district data systems (Library, Lunch, etc.)
- Serve as the district's SIS administrator

- Train and support teachers in using aspects of the SIS for grading and posting to the parent/student portal.
- Identifying and resolving any data issues resulting within the district data systems
- Assist with school scheduling, enrollment, attendance and other issues within the SIS
- Developing data standards, procedures and training for district and school staff members.
- Develop and maintain documentation of data systems, standards and procedures. ? Import all assessment data into district SIS
- Design and implement custom pages to improve functionality of SIS.
- Ensure integrity of data, verifying information regarding data quality and data completeness
- Producing data reports as requested by administration and school district staff
- Assist with federal and State reporting of school district data including exporting and uploading to external systems
- Support the RTI process by providing a system to gather and document data for use in the Student Support Teams in each school.
- Assist in the design of web-based data collection projects for district and school staff.
- Perform other relevant duties as identified that support the mission and vision of the Cape Elizabeth schools.

WORKING CONDITIONS:

Mental Demands: Calculating, comparing, editing, problem-solving, evaluating, interpreting, organizing, consulting, analyzing, planning, designing, documenting, specifying, coordinating, implementing, presenting Physical Demands: The physical demands listed here are representative of those that are required to successfully perform the essential functions of this job: sitting, walking, climbing stairs, operating computers and other equipment, using tools, and lifting or moving up to 50 pounds. Environmental Conditions: Inside, working around moving objects, working alone

TERMS OF EMPLOYMENT:

Salary, benefits and work year in accordance with recommendations established by the Superintendent of Schools. All programs and customization developed by the Data Facilitator while under contract will be the property of the Cape Elizabeth School Department.

EVALUATION:

The basis of the evaluation will be the extent to which the performance responsibilities of the job are successfully handled and the extent to which yearly action plans and job goals are met. The Technology Coordinator will perform the evaluation. The standards by which the job is completed or met is at the sole discretion of the supervisor. The Cape Elizabeth School Department expects that all employees will perform assigned duties diligently, professionally and efficiently and in compliance with all district policies and procedures as well as all federal and state laws.

NOTE:

The above job description reflects the general requirements necessary to describe the principle functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.
